Note 1 - Summary of Significant Accounting Policies

On April 21, 2011, an Order appointing Conservator and Restraining Orders ("Conservation Order") was entered by the Superior Court of the State of California with respect to Majestic Insurance Company, a California Corporation. The California Department of Insurance (CDI) conducted an examination of Majestic for the period January 1, 2005 through December 31, 2010. CDI found Majestic's recorded loss and loss adjustment expense reserves to be deficient by approximately \$40.9 million. Also, due to the increase in reserves, a premium deficiency reserve was required in the amount of \$5.5 million. After these examination adjustments, Majestic's Risk-Based Capital (RBC) fell within the Mandatory Control Level RBC. The CDI Examination determined that Majestic was operating in a hazardous financial condition in accordance with California Insurance Code Section (CICS) 1011(d). These findings were incorporated into the Commissioner's application for the Conservation Order.

The Commissioner of Insurance was appointed as Conservator of Majestic and directed to conduct the business of Majestic. The Conservator is authorized, in his discretion, to operate the business of Majestic, or so much of the business as he deems appropriate, and to pay or defer payment of some or all proper claims, expenses, liabilities and obligations of Majestic, in whole or in part, accruing prior or subsequent to his appointment. The Conservator continued to operate Majestic's business in substantially the manner the company was operating prior to conservation, solely for the purpose of preserving Majestic's business assets and going-concern value in order to facilitate a Plan of Rehabilitation for Majestic (the "Plan").

Immediately after the entry of the Conservation Order, the Conservator filed a motion seeking court approval of the Plan. Court approval of the Plan was granted on June 2, 2011 and the transactions contemplated by the Plan closed on July 1, 2011. The Plan provided for the assumption of 100% of Majestic's workers' compensation claim liabilities by an A-rated insurance company affiliate of AmTrust North America, Inc. ("AmTrust") via a Loss Portfolio Transfer and Quota Share Reinsurance Agreement (the "Reinsurance Agreement"). Under the Reinsurance Agreement, AmTrust (through an insurance company affiliate, Technology Insurance Company) has assumed the majority of Majestic's assets and liabilities relating to its workers' compensation business. Majestic's in-force policies and expired policies with reported claims have been novated to Technology Insurance Company. The Reinsurance Agreement also provides that all reinsurance contracts providing coverage for the business written by Majestic shall inure to the benefit of AmTrust.

The accompanying financial statements reflect the financial effect of the Reinsurance Agreement, resulting with Majestic having no insurance related liabilities subsequent to May 30, 2011. The Conservator continues to investigate and seek supporting documentation for remaining general ledger balances. Such investigations may lead to material changes to the balance sheet as presented in this filing. The Conservator will disclose the results of his investigation in subsequent quarterly filings as this information becomes available and can be substantiated.

A. Components of Deferred Tax Assets (DTAs) and Deferred Tax Liabilities (DTLs):

The Company recognizes deferred tax assets ((DTA's") and liabilities ("DTL's") for the future tax consequences related to differences between the financial statement carrying amounts of existing assets and liabilities and permitted tax basis amounts. The Amount of net DTA's that may be reported in the financial statements is subject to admissibility tests established by Statutory Accounting Principles (SAP) and relates to the Company's ability to realize the future benefit resulting from the net DTA. Amounts in excess of the statutory limitations are treated as non-admitted assets and charged directly to Policyholders' Surplus. Based upon the guidance provided by SAP, limitations on business strategy assumptions that may be realized in the future as stand alone tax payer and as a member of a consolidated group filing Federal Income Taxes under a Tax Sharing Agreement, the Company could not satisfactorily conclude that any amount of the DTA could be recovered in the time frames established by SAP and has therefore recognized the entire net DTA of \$32,475,585 as a Statutory Valuation Allowance and no admitted DTA was recognized as of March 31, 2012.

E. Operating Loss and Tax Credit Carry forwards and Protective Tax Deposits

The Company incurred a tax basis net operating loss ("NOL") of \$155,541 during the three month period ended March 31, 2012. The Company also has available NOL carry forwards from prior years of \$95,693,307.

Prior to 2009, the Internal Revenue Code limited the carry back of current year NOL to the three prior years. The Code was changed in 2009 and an entity may carry back net operating losses five years. This permitted the Company to recover taxes paid the IRS prior to acquisition of EIH by Majestic Capital Ltd ("Capital") formerly CRM Holdings Ltd and Majestic USA Capital, Inc. ("MUSAC") formerly CRM USA Holdings, Inc. A certain amount of taxes paid by the Company since the acquisition were off set by the net tax benefit the combined group received from the NOL's of certain affiliates and the tax sharing agreement between CRM USA and affiliated companies limited the amount NOL carry back afforded Majestic. Following is a summary of the amount of NOL available for offset against future taxable income.

	Net	Operating Loss	Tax Benefit

The Company's obligation to pay any obligation under the Tax Allocation Agreement is subject to the provision of the Plan, and may be deferred in the discretion of the Conservator in order to ensure equity among and proper treatment

of the Company's creditors. The Company and any of its affiliates may recoup federal taxes paid in prior years in the event of future net losses, or net losses carried forward to future net income subject to federal income taxes.

B. Guaranty Fund and Other Assessments

The Company is subject to various assessments by the states and/or federal agencies (funds) in which it writes business. These assessments are for the general welfare and protection of workers compensation policyholders. The assessments may be based on the workers compensation premiums written by the Company in a calendar year or the outstanding loss reserves as of a year end date and assessment rates established by the various state or federal agencies. The Company is permitted by the insurance departments to pass certain assessments through to the policyholders. These assessments are billed to the policyholder with premiums as they become due. The accrual for all assessments occurs at the time the premiums are written or losses incurred. Because assessments are generally paid before the policy surcharges are collected, the payment of the assessment may result in a receivable from policyholders that will be taken on future policy surcharges to be collected. As of March 31, 2011, the Company had recorded assessments paid to insurance departments in excess of billed policyholder surcharges of \$7,493,541. This excess assessment amount is presented as a write in asset with the caption "Advance Policy Surcharges" and \$5,618,854 was treated as a non-admitted asset.

The following amounts assessed against Majestic by governmental authorities were unpaid as of March 31, 2012 and thereafter due to the conservation of Majestic.

Second Installment Payment of California DIR Assessments for 2011. By letter to the California Department of Industrial Relations dated April 6, 2011, Majestic requested relief from payment of the second installment of the DIR assessments for 2011 due April 1, 2011 in the amount of \$1,772,965. This request was made on the ground that Majestic would cease writing business due to the impending conservation proceeding involving Majestic and that its liability for 2011 would be offset by an overpayments for 2010 and 2011. The DIR advised Majestic that this request was granted.

<u>First Installment Payment of California DIR Assessments for 2012</u>. By letter to the California Department of Industrial Relations dated December 9, 2011, Majestic requested relief from payment of the first installment of the DIR assessments for 2012 due by January 1, 2012 in the amount of \$730,822.10.

This amount was assessed for the calendar year 2010 under New York Workers' Compensation Law (WCL) Section 15.8, Special Disability Fund. This assessment was based on 2009 premium but should be reconciled to 2011 premium which will be lower than 2009, resulting in an anticipated refund.

New York State Workers' Compensation Board Assessment for 2011. Majestic received a notice of assessment from the NY WCB due April 12, 2012 in the amount of \$1,290,056. This amount was assessed for the calendar year 2011 under WCL 15.8, Special Disability Fund. This request was based upon the WCB's interpretation of Chapter 56-B, New York Laws of 2009, which provides that an insurance carrier which paid an amount assessed by the WCB for any year that was less than the surcharges collected from policyholders in that year must pay the excess funds held as of January 1, 2009 to the WCB. from payment of that assessment in light of the conservation proceeding involving Majestic. The matter is pending.

On July 1, 2011, the New Jersey Property-Liability Insurance Guaranty Association ("NJ IGA") sent notice to Majestic of an assessment of \$95,728.86 for the Workers' Compensation Security Fund. Alternative remedies for the assertion of any and all such claims are provided for under the Conservator's Rehabilitation Plan. The Rehabilitation Plan provides that the Conservator may request the Conservation Court to establish a claims bar date for filing proofs of claim against Majestic by non-policyholder creditors. The Rehabilitation Plan further provides that the Conservator shall administer, investigate, adjust and determine all such proofs of claim in a manner consistent with California Insurance Code Sections 1010 through 1062. In accordance with these provisions of the Rehabilitation Plan, the Conservation Court has established a claims bar date of January 31, 2012 for filing non-policyholder proofs of claim with the Conservator. Prior to the claims bar date, the Conservator received a total of 86 proofs of claim which set forth claims of non-policyholder creditors in the aggregate amount of \$205 million. The Conservator is reviewing all such proofs of claim for the purpose of determining such claims as provided in the Rehabilitation Plan.

The following claims and lawsuits were brought against Majestic prior or subsequent to entry of the Conservation Order. Prosecution of these matters has been enjoined by the Conservation Order as stated above.

On November 2, 2009, an action entitled Healthcare Industry Trust of New York, et al. v. Compensation Risk Managers, LLC, et al., was filed in the New York Supreme Court, Albany County. The complaint names 40 or more defendants, including Majestic Insurance Company, and seeks damages in excess of \$220 million resulting from the closure of the Healthcare Industry Trust of New York, a group self-insurer formerly managed by Majestic's affiliate, Compensation Risk Managers, LLC ("CRM"). The only allegation of misconduct by Majestic is that it charged excessive premiums for excess worker's compensation insurance, causing unjust enrichment of Majestic in an unknown amount. The complaint also alleges that Majestic is the alter ego of CRM and related defendants, so that Majestic should be held liable for their obligations. Majestic denies all liability in connection with this matter.

NOTES TO FINANCIAL STATEMENTS

On or about December 9, 2009, an action entitled The New York State Workers' Compensation Board, etc. v. Compensation Risk Managers, LLC, et al., was filed in the New York Supreme Court, Albany County. The complaint names fifteen defendants, including Majestic Insurance Company, and seeks damages of \$472 million plus interest, attorney's fees and punitive damages resulting from the closure of several group self-insurance trusts formerly managed by CRM. This is supported by unspecific allegations that Majestic and other defendants made misrepresentations, committed deceptive business practices in violation of Section 349 of the New York General Business law, and engaged in false advertising in violation of Section 350 of the General Business Law. There are no specific allegations of misconduct on the part of Majestic. Majestic denies all liability in connection with this matter.

On October 28, 2010, an action entitled <u>California Plastering</u>, <u>Inc.</u>, et al. v. <u>Pridemark-Everest Insurance Services</u>, <u>Inc.</u> was filed in the Orange County, California Superior Court. The plaintiffs are eleven former member employers of the Contractors Access Program of California ("CAP"), a workers' compensation group self-insurer formerly administered by Compensation Risk Managers of California, LLC ("CRM CA"). The complaint names nine defendants, including Majestic Insurance Company, and seeks damages in excess of \$30 million, restitution and other relief as the result of the defendants' alleged mismanagement and wrongful conduct with respect to CAP. Majestic is alleged to have aided and abetted the misconduct of the other defendants and committed unfair business practices. Majestic denies all liability in connection with this matter. ON March 24, 2011, after the court sustained Majestic's demurrer to the complaint with leave to amend, the plaintiffs dismissed the action against Majestic without prejudice to re-filing the action.

On December 20, 2010, Bickmore Risk Services, as the conservator of CAP, filed an action entitled <u>Contractors Access Program of California v. Majestic Capital. Ltd., et al.</u> alleging mismanagement of CAP by CRM and related entities. The complaint named several defendants including various CRM entities and Majestic Insurance Company. The allegations involving Majestic included a contention that the excess insurance policies written by Majestic for CAP were not priced at competitive rates and an alter ego and/or agency theory of liability. The complaint sought damages of not less than \$38 million. Majestic denies all liability in connection with this matter.

On January 27, 2011, four employer members of CAP filed an action entitled Mark Tanner Construction, Inc., et al. v. Majestic Capital, Ltd., et al. seeking recovery of damages in excess of \$25 million allegedly caused by misconduct of the defendants in the management of CAP. The defendants include Majestic Insurance Company. Majestic denies all liability in connection with this matter.

Majestic filed an action entitled Majestic Insurance Company v. J.R. Pierce Plumbing seeking recovery of unpaid premiums of approximately \$63,000 from Pierce, a former policyholder. On March 4, 2011, Pierce filed a cross-complaint against Majestic for breach of contract, breach of the covenant of good faith and fair dealing and unfair or deceptive business practices. The cross-complaint alleges that Majestic set unnecessarily high reserves for claims under the insurance policies issued to Pierce and other policyholders, improperly delayed acting on claims and engaged in other practices which increased the cost of the insurance. Pierce seeks damages according to proof, punitive damages, attorneys' fees, injunctive relief and restitution or disgorgement on behalf of all persons injured by Majestic's allegedly unlawful practices. Majestic denies all liability in connection with this matter.

By letter dated June 6, 2011, an attorney representing <u>SMC Holdings, Inc.</u> (SMC), a former policyholder of Majestic, advised that SMC disputed Majestic's billing for retrospective premium due under its 2004-2005 policy covering SMC and demanded a refund of approximately \$1.4 million in prior retrospective premiums as the result of Majestic's alleged mishandling of a single workers' compensation claim. Majestic disputes the allegations made by SMC's attorney and denies all liability in connection with this matter.

On or about April 17, 2012, West-Fair Electric Contractors, Inc., a former member of the Elite Contractors, Trust of New York filed an adversary proceeding in the Chapter 11 bankruptcy of Majestic Capital, Ltd. and its subsidiaries. The named defendants include CRM and various affiliated persons and entities, including Majestic Insurance Company. The suit seeks declaratory and injunctive relief and damages in an amount to be determined based on West-Fair's joint and several liability for assessments made against the Elite Contractors Trust by the

New York State Workers' Compensation Board in excess of \$82 million. The complaint alleges misconduct by the defendants in the management of the Elite Contractors Trust and alter ego claims. Majestic denies all liability in connection with this matter.

On April 27, 2011, a former employee of Majestic filed an action entitled <u>Bunton v. Majestic Capitol Insurance, et al.</u> seeking recovery of damages in unspecified amounts resulting from alleged gender and disability discrimination, harassment and retaliation. Majestic Insurance Company, sued erroneously as "Majestic Capitol Insurance Company", denies all liability in connection with this matter. By letter to the plaintiff dated May 2, 2012, legal counsel for Majestic's Conservator demanded that this action be dismissed in light of the injunction restraining prosecution of actions against Majestic.

Lawsuits arise against the Company in the normal course of business and are commented upon in this report if considered material or may be detrimental to the policyholders. Contingent liabilities arising from litigation, income taxes and other matters are not considered material in relation to the financial position of the Company.

Note 20 - Other Items

A. Extraordinary Items

Relative to the imminent bankruptcy filing of Majestic Capital, LTD and Majestic USA Capital, Inc. as set forth in a press release dated March 21, 2011, the lessor on various operating leases engaged in by the Company determined that the lease agreements were in material uncured default. The lessor subsequently declared the subject leases in default and the entire indebtedness under all lease schedules became immediately due and payable and sought to recover the Casualty Loss Value of the property.

On April 1, 2011, the lessor drew down the letters of credits that were issued as collateral under the lease terms on the event of default. The aggregate value of the letters of credit was \$8,000,000 and allegedly represented the Casualty Loss Value of the property as determined by addendum to the lease. The Company at that time considered the draw as termination of the lease and recognized the \$8 million as impaired assets as of June 30, 2011 and recorded an extraordinary charge to net income as of that date. However, the Conservator is investigating the legality of the actions of the lessor, and the recognition of impairment and the recording of an extraordinary charge is without prejudice to the Conservator's available remedies against the lessor.
