I, Joseph Holloway, hereby declare:

- 1. I make this declaration in support of the *Application for Order Authorizing Second Early Access Distribution of Assets to State Insurance Guaranty Funds and Approving Financial Reports and Expenses of Administration* ("Application"). The following facts are known by me to be true and correct of my own personal knowledge, except as to those that I have expressed as being based upon my information and belief. If called as a witness to testify thereon, I could and would competently do so.
- 2. I am currently the Chief Executive Officer of the California Insurance Commissioner's Conservation & Liquidation Office ("CLO") and the Liquidation Manager for CastlePoint National Insurance Company in Liquidation ("CastlePoint"). I served in the role as the on-site Conservation Manager for CastlePoint National Insurance Company in Conservation during the period from July 28, 2016 through March 31, 2017 (the "Conservation Period") and as the Liquidation Manager for CastlePoint from April 1, 2017 (the "Liquidation Date") until the date hereof. Having served in these roles, I am fully familiar with all aspects of the conservation and liquidation of CastlePoint.
- 3. I have a Bachelor of Arts degree in Accounting from North Carolina State
 University and hold the designation of Certified Financial Examiner from the Society of Financial
 Examiners. From 1985 to 2005, I worked as an examiner, regulatory specialist, and chief forensic
 accountant for the North Carolina Department of Insurance. Since 2005, I have worked for the
 Commissioner's CLO. I have over 35 years of experience working with insurance companies
 experiencing financial difficulties, including companies in supervision, conservation,
 rehabilitation, and liquidation.
- 4. I am empowered under Paragraphs 3 and 4 of the Court's March 30, 2017
 Liquidation Order for CastlePoint National Insurance Company ("Liquidation Order"), and I was previously empowered under Paragraph 18 of the Court's July 28, 2016 Order Appointing
 Insurance Commissioner As Conservator and Restraining Orders ("Conservation Order"), to carry out all the duties of and exercise the authority of the Insurance Commissioner (previously Dave

Jones and now Ricardo Lara) in his statutory capacity as liquidator (formerly conservator) of CastlePoint as delegated to me in the management of CastlePoint.

- 5. The Commissioner was appointed as conservator of respondent CastlePoint by the Court on July 28, 2016, and was thereafter appointed as liquidator of CastlePoint by the Court on March 30, 2017, pursuant to Insurance Code sections 1011 and 1016, respectively. The Commissioner's current Application seeks Court approval for a second early access distribution of CastlePoint estate funds in the amount of approximately \$30,075,159 to 31 state insurance guaranty funds and Court approval of the Commissioner's financial reports for the CastlePoint estate for 2021 and 2022 including financial statements and expenses of administration for those years.
- 6. In aid and fulfillment of the Commissioner's role as liquidator, Insurance Code section 1035.5(a) provides that the Commissioner may apply for and obtain Court approval of a proposal to disburse the insurer's assets to state insurance guaranty funds.

Within 120 days of the issuance of an order directing the winding up and liquidation of the business of an insolvent insurer under Section 1016, the commissioner shall make application to the court for approval of a proposal to disburse the insurer's assets, from time to time as such assets become available, to the California Insurance Guarantee Association, or the California Life and Health Insurance Guarantee Association, and to any entity or person performing a similar function in another state.

Such proposed distributions shall be in "amounts estimated at least equal to the payment made or to be made by the associations for which such associations could assert a claim against the commissioner" under Insurance Code Section 1035.5(c).

7. In addition, the Liquidation Order itself directs the Commissioner to "liquidate and wind up the business of CastlePoint and to act in all ways and exercise all powers necessary for the purpose of carrying out this Order and the liquidation provisions of the Insurance Code, Insurance Code sections 1010 et seq." Liquidation Order, Paragraph 4. The Commissioner has concluded that the estate of CastlePoint now possesses sufficient funds to make an early access distribution to state insurance guaranty funds or similar entities, after reserving for amounts described in Section 1035.5(b)(1). Accordingly, the Commissioner proposes to distribute

approximately \$30,075,159 to state insurance guaranty funds or similar entities representing amounts for which they could assert a claim against the Commissioner, as itemized in the Commissioner's "Proposed Distributions to Insurance Guaranty Funds from the CastlePoint Estate," a true and correct copy of which is attached hereto as Exhibit A and incorporated herein by this reference.

- 8. By Order dated September 15, 2022, the Court authorized an initial early access distribution to state insurance guaranty funds in the amount of \$60,028,780 in net assets of the CastlePoint estate and the Commissioner expeditiously distributed the approved amount. The methodology and procedures for the second distribution for which authorization is currently sought were also utilized by the Commissioner with respect to the initial distribution authorized by the Court in 2022.
- 9. With respect to the currently proposed early access distribution, pursuant to Insurance Code section 1035.5, subdivision (b)(1), the Commissioner's proposal contains appropriate provisions for reserving amounts for the payment of expenses of administration of the CastlePoint estate, for the payment of the claims of its secured creditors to the extent of the value of security held, and for claims falling within the priorities established in Insurance Code section 1033, subdivision (a)(1)-(4). After reserving for payment of such liabilities, the CastlePoint estate clearly has sufficient funds to make a second early access distribution in the total amount of \$30,075,159. This is demonstrated by the 2021 and 2022 financial statements of the CastlePoint estate, true and correct copies of which are attached hereto as Exhibits B and C, and which are described more fully in paragraph 19 hereof ("Financial Statements"). As Exhibit C (2022) Financial Statement, Statement of Assets and Liabilities-Page 1)) shows, the CastlePoint estate's readily available funds far exceeds its liability for administrative expenses and secured claims. The CastlePoint estate has total accrued administrative expenses as of year-end 2022 of \$7,013,500 and liability for secured claims of \$105,500, for a total for the two categories of \$7,119,000. As of December 31, 2022, the Commissioner has retained a total of \$204,433,300 in readily available funds, consisting of cash and cash equivalents, participation in pooled

investments, and non-pooled short-term investments. Exhibit C (2022 Financial Statement, Statement of Cash Flows-Page 4). The Net Assets shown in Exhibit C have not materially changed since year-end 2022.

- 10. As itemized in Exhibit A, under the proposed distribution a total of thirty-one (31) guaranty funds are entitled, after the offset of statutory credits under Insurance Code section 1035.5, subdivision (d), to an aggregate amount of \$30,075,159 in amounts paid on claims under CastlePoint policies and related loss adjustment expenses.
- 11. To determine the appropriate amount to be distributed at this time to each state guaranty, the Commissioner calculated the "ultimate loss" to each state guaranty fund, which consists of the amounts paid by the guaranty fund on behalf of policyholders, as well as claims reserves and administrative expenses. The Commissioner has then applied a "maximum cap" for the distribution of a uniform percentage of each guaranty funds' ultimate loss. Statutory releases of funds from CastlePoint to state guaranty funds, as well as statutory deposits of CastlePoint to be released to state guaranty funds, were then offset, along with any premium or other credits where appropriate, pursuant to Insurance Code section 1035.5, subdivision (d).
- 12. Utilizing the methodology, the Commissioner proposes to distribute and pay each of the 31 guaranty funds the amount set forth for that guaranty association in Exhibit A in satisfaction of the Commissioner's second early access distribution from the CastlePoint estate. If closure of the CastlePoint estate is delayed, the Commissioner may seek approval of additional early access distributions when such liabilities and contingencies become known and are quantified. The currently projected time of final distribution of all assets of the CastlePoint estate is 2030.
- 13. In accordance with Insurance Code section 1035.5, subdivision (b)(4), with respect to the state insurance guaranty funds receiving a distribution, the Commissioner has already requested and received from each fund an executed "early access agreement" (EA Agreement), a true and correct copy of the template for which is attached hereto as Exhibit D, to return the distributed assets as required to pay claims of secured creditors and claims falling within the

priorities established in Insurance Code section 1033, subdivisions (a)(1) and (a)(2). In accordance with the requirements of 1035.5(e), notice as required therein of the Commissioner's application was given to the insurance guaranty funds and commissioners of insurance of each of the states on September 11, 2023, at least 30 days prior to the submission of the Application to the Court. The second early access distribution described herein is fully consistent with Insurance Code section 1035.5, and compliant with the specific requirements of section 1035.5(b)-(e), and constitutes an appropriate exercise of the Commissioner's discretion to manage the liquidation of the CastlePoint estate.

- 14. Since early 2019, all remaining liquidation activities of the CastlePoint estate have been assigned to the staff of the Commissioner's Conservation and Liquidation Office in San Francisco ("CLO") and, as of March 31, 2019, the CastlePoint home office in New Jersey was closed.
- 15. During 2021 and 2022 the Commissioner and CLO conducted the following actions, among others: (1) continued to open and/or re-open claim files for state guaranty associations, now totaling over 3,205 claim files since the Liquidation Date through December 31, 2022; (2) billed \$8.6 million of reinsurance recoverables in 2021 and \$2.7 million of reinsurance recoverables in 2022; (3) collected for the CastlePoint estate reinsurance balances of approximately \$7.1 million in 2021 and \$7.6 million in reinsurance recoverables in 2022; (4) collected for the CastlePoint estate miscellaneous recoveries from 2021 through 2022 of approximately \$236,000; (5) planned and executed a complex early access distribution in a total amount of approximately \$60 million in net assets of the CastlePoint estate to 47 state insurance guaranty funds; (6) filed on behalf of the CastlePoint estate the tax return for the 2021 and 2022 tax years and finalized the 2021 and 2022 audits; (7) secured an additional addendum to the administrative services agreements with AmTrust and National General thru December 31, 2023; and (8) handled the specific matters described further herein below.
- 16. In addition to the above activities, the Commissioner and his staff and counsel worked during 2021 and 2022 to resolve an allowed claim against the CastlePoint estate in favor

of claimant Karen Wilkie arising out of serious injuries sustained by an insured in a vehicle accident in New York in which the defendant vehicle owner was insured by CastlePoint. This settlement, which involved an early access partial distribution to Ms. Wilkie, was the subject of a motion to this Court for approval of the settlement. The Court granted its approval in September 2022.

- 17. The Commissioner and his staff and counsel also obtained court approval in 2022 for a complex early access distribution of over \$60 million in net assets of the CastlePoint estate, as described above, to 48 state guaranty funds to satisfy amounts which the guaranty funds paid but for which the CastlePoint estate was obligated.
- 18. Finally, during 2021 and 2022, the Commissioner and his counsel continued to respond as necessary and appropriate to remaining litigation issues affecting the CastlePoint estate arising out of the Eita Pruss-related litigation, the TruPS litigation, and the Public Records Act proceeding instituted by Christopher Dion, all described in detail in the Commissioner's 2020 Application.
- 19. Both the 2021 and 2022 Financial Statements of the CastlePoint liquidation estate, attached hereto as Exhibits B and C respectively, were prepared under my direction as Chief Executive Officer of the CLO and Liquidation Manager of CastlePoint. Each Financial Statement consists of the following documents for the respective year: Statement of Assets and Liabilities; Statement of Assets and Liabilities (with detail); Statement of Changes in Net Assets in Liquidation; and Statement of Cash Flows. In addition, a monthly Statement of Income and Expenses is attached to each set of Financial Statements.
- 20. The Financial Statements reflect the following expenses of administration. For 2021, the CastlePoint estate incurred expenses totaling \$3,809,264. Of that total, \$124,738 was incurred for various office expenses. Also of that expenses total, \$890,603 was incurred for professional fees, not including CLO personnel. Within the total for such professional fees, \$557,098 was paid for legal expenses (including \$233,350 for fees paid to Orrick for legal services in connection with the liquidation during 2021), and \$557,098 was paid for necessary

consultants and contractors other than attorneys. As regards the CLO, a total of \$2,793,923 was incurred for CLO professional fees, which included amounts allocable to the CastlePoint estate for the CLO's Accounting Claims, It, Reinsurance, Estate Trust and Executive Departments.

- 21. For 2022, the CastlePoint estate incurred and paid expenses totaling \$3,929,470. Of that total, \$114, 669 was incurred for various office expenses and \$416,213 was incurred for professional fees, not including CLO personnel. Within the total of such professional fees, \$143,867 was incurred for legal expenses, including \$124,914 incurred for Orrick's legal services in collection with the liquidation during 2022, and \$272,346 was paid for necessary consultants and contractors. As regards the CLO, \$3,398,588 was incurred for CLO professional fees, including amounts allocable to the CLO departments listed in the preceding paragraph hereof.
- 22. The Court's Liquidation Order authorizes the Commissioner, acting as Liquidator, to fix and pay the administrative expenses of the liquidation from the assets of CastlePoint, subject to the Court's oversight and approval as specified. (See Liquidation Order, ¶¶ 3, 15-18.) These provisions were entered pursuant to California Insurance Code sections 1035 and 1036, which grant the Commissioner the power to fix all administrative costs (§ 1035) and the compensation of outside attorneys (§ 1036), with the approval of the Court, and to have those expenses paid by the liquidation estate. In my role as Chief Executive Officer of the CLO and Liquidation Manager of CastlePoint, the expenses of the CastlePoint estate during 2021 and 2022 were necessary to the efficient and orderly administration of the CastlePoint estate and for the continuing liquidation of CastlePoint. They were thus an appropriate exercise of the Commissioner's discretion.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on October 11, 2023, at San Francisco, California

AGREEMENT FOR EARLY ACCESS DISTRIBUTION OF FUNDS

	This Agreement is entered into on this	day of March 2022,	between the [INSURANCE
GUAR	ANTY ASSOCIATION] and the California Insur	ance Commissioner	, acting solely in his capacity as
statutor	ry liquidator of CastlePoint National Insurance Co	ompany in Liquidation	on ("CastlePoint").

Recitals

- 1. Pursuant to a March 30, 2017 order entered by the San Francisco City and County Superior Court, State of California, (the "CastlePoint Liquidation Court") in *Insurance Commissioner v CastlePoint National Insurance Company*, Case No. CPF-16-515183, CastlePoint was determined to be statutorily insolvent, and appointed the California Insurance Commissioner as Liquidator (hereinafter "Liquidator"), ordering the Liquidator to liquidate and wind up the business of CastlePoint and to exercise all powers necessary for the purpose of carrying out the order;
- 2. CastlePoint has sufficient assets in cash and securities to distribute funds to [INSURANCE GUARANTY ASSOCIATION];
- 3. The Liquidator proposes, pursuant to California Insurance Code §1035.5, after reserving amounts necessary for payment of expenses of administration and the payment of claims of secured creditors (to the extent of the value of security held) and claims falling within the priorities established in subdivisions (1) and (4) of California Insurance Code §1033, to distribute available assets of CastlePoint to [INSURANCE GUARANTY ASSOCIATION].

Agreement

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the parties agree as follows:

- 1. The Liquidator may, from time to time, upon approval by the CastlePoint Liquidation Court, distribute assets of CastlePoint to [INSURANCE GUARANTY ASSOCIATION] after the Liquidator has first reserved assets sufficient for the following:
 - (a) payment of the expenses of administration;
 - (b) payment of claims of secured creditors to the extent of the value of the security held; and
 - payment of claims falling within the priorities established in paragraphs (1) (4), inclusive, of Insurance Code §1033, subd. (a).

Such distributions will be made equitably between all common class creditors.

- 2. [INSURANCE GUARANTY ASSOCIATION] agrees to make a full report to the Liquidator, accounting for all assets received by it, all disbursements made, all interest earned on the assets, and any other matter that the court may direct.
- [INSURANCE GUARANTY ASSOCIATION] will return to the Liquidator, upon demand, all or 3. part of the assets received pursuant to this Agreement or pursuant to applicable law, as may be required by CastlePoint to pay the pro rata portion of all allowed claims of secured creditors and claims falling within the priorities established in California Insurance Code section 1033(a)(1) - (2), in accordance with those priorities, as the code section exists or may exist in the future. This obligation will include an obligation to return any assets that are in excess of the total distribution that [INSURANCE GUARANTY ASSOCIATION] would be entitled to from the CastlePoint Estate pursuant to Insurance Code section 1033(a) at the time of a proposed distribution by the Liquidator. For clarity and the avoidance of doubt, in the event that [INSURANCE GUARANTY ASSOCIATION]'s receipt of distributions under this Agreement or its receipt of any statutory deposit held by CastlePoint results in [INSURANCE GUARANTY ASSOCIATION] having received funds that exceed the amount of the pro rata distribution to which [INSURANCE GUARANTY ASSOCIATION] is entitled under a court approved interim or final distribution approved by the Court, [INSURANCE GUARANTY ASSOCIATION] shall refund to CastlePoint such amount as is necessary to ensure that [INSURANCE GUARANTY ASSOCIATION] has received no more than its equitably allocated share of the court-approved distribution. In the event that [INSURANCE GUARANTY ASSOCIATION] must make an assessment in accordance with its enabling statute in order to make a refund to the Liquidator pursuant to this paragraph, then [INSURANCE GUARANTY ASSOCIATION] will have 120 days from the date such refund is requested to make such refund to the Liquidator.
- 4. [INSURANCE GUARANTY ASSOCIATION] will comply with all requirements set forth in California Insurance Code §1035.5.
- 5. If any legal action is necessary to enforce this agreement, [INSURANCE GUARANTY ASSOCIATION] agrees that such action will be commenced in the San Francisco Superior Court of the State of California, in the Liquidation proceeding of CastlePoint, by way of an Order to Show Cause and CastlePoint agrees, for this purpose only, to subject itself to the jurisdiction of the CastlePoint County Superior Court of the State of California by way of an Order to Show Cause procedure.
