I am employed in the county from which the mailing occurred. On the date indicated above, I placed the sealed envelope(s) for collection and mailing at this firm’s office business address indicated above. I am readily familiar with this firm’s practice for the collection and processing of correspondence for mailing with the United States Postal Service. Under that practice, the firm’s correspondence would be deposited with the United States Postal Service on this same date with postage thereon fully prepaid in the ordinary course of business.

Executed on June 19, 2019 at Sacramento, California.

I declare under penalty of perjury under the laws of the State of California that the above is true and correct.
