Dept: 301
Judge: The Hon. Peter J. Busch

1 PLEASE TAKE NOTICE that on February 2, 2010, at the hour of 9:30 a.m., or as soon
2 thereafter as the matter may be heard, the Insurance Commissioner as Liquidator of Western
3 Employers Insurance Company ("the Liquidator") will move for an Order Requiring the Updating
4 of Proofs of Claims, pursuant to California Insurance Code sections 1023 and 1025. This motion
5 will seek to set August 31, 2010 as the deadline by which all holders of non-workers'
6 compensation claims, which include contingent or undetermined claims, must submit detailed
7 claims updates which set forth the facts regarding the further development of those claims.

8 This motion is and will be based upon this notice, the attached memorandum of points and
9 authorities, the Declarations of Susan Collins, Edward Hahn, and Willard Roberts filed in support
10 thereof, the pleadings and papers on file in this action, and upon any oral argument of the parties

1 MEMORANDUM OF POINTS AND AUTHORITIES

2 I. SUMMARY OF RELEVANT FACTS

3 Western Employers Insurance Company ("WEIC") is a California insurance company that
4 has been in liquidation since April 19, 1991. [Declaration of Willard Roberts, ¶ 2]. Western
5 Employers Insurance Company was originally a New York-domiciled insurer known as Letherby
6 Insurance Company, and was re-domesticated to California in the late 1970's. After four years of
7 being in run-off liquidation, WEIC determined it could no longer continue the run-off without the
8 assistance of the California Department of Insurance. [Roberts Dec., ¶ 4].

9 WEIC was licensed in 38 states, and wrote primarily workers' compensation and general
10 liability insurance. [Declaration of Susan Collins, ¶ 2, Roberts Dec., ¶ 4]. The workers'
11 compensation business consists of business which is covered by state guaranty associations
12 pursuant to statute. The general liability business includes claims which are covered by guaranty
13 associations, claims which are not covered by guaranty associations, and a large number of claims
14 which are partially covered by guaranty associations. [Collins Dec., ¶ 3]. The general liability
15 claims include a substantial number of claims for coverage for toxic tort matters, such as asbestos
16 and environmental claims. [Collins Dec., ¶ 4].

17 WEIC wrote coverage on very long-tail exposures (asbestos, tobacco, etc.) and its
18 policyholders have been subject to extensive litigation associated with claims that exceed state
19 guaranty fund limits or were altogether not covered. [Collins Dec., ¶ 4.] The records maintained
20 by WEIC prior to its liquidation were far from ideal. Inadequate record keeping and poor file
21 management inherited at the time of liquidation have increased the difficulty in resolving the
22 estate's ultimate liability and collection of assets. [Roberts Dec., ¶ 5].

23 The initial claims bar date for WEIC was November 15, 1991. The California Insurance
24 Commissioner as Liquidator of WEIC ("the Liquidator") received 9,608 proofs of claim by the
25 claims bar date, of which 4966 were in lines of business other than workers' compensation.
26 [Roberts Dec., ¶ 3]. The Liquidator has successfully recovered substantial assets for the WEIC
27 estate, which will be in a position to make a substantial dividend upon claims. [Roberts Dec., ¶ 6;
28 Declaration of Edward Hahn, ¶ 3, attached Exhibit A.]. In order to begin a comprehensive

1 closing plan to wind up this liquidation, those claimants who have filed contingent and
2 unliquidated proofs of claims for general liability coverage must update their proofs of claims to
3 advise the Liquidator of the current status of their claims. [Collins Dec., ¶ 4]. The Liquidator
4 proposes to send out a notice to those parties which filed a proof of claim to file a supplemental
5 claim by August 31, 2010. The proposed notice and form of the updated proof of claim are set
6 forth as Exhibit "A" to the Declaration of Susan Collins. [Collins Dec., ¶ 5]. The Commissioner
7 seeks the Court's approval of the August 31, 2010 deadline, the notice, and the proposed proof of
8 claim update form.

9 II. ARGUMENT

10 A. THE LIQUIDATOR SHOULD BE AUTHORIZED TO REQUIRE 11 CLAIMANTS TO PROVIDE COMPLETED PROOF OF CLAIM 12 UPDATE FORMS IN ORDER TO PROPERLY DISTRIBUTE THE ESTATE'S ASSETS TO ALL CLAIMANTS

13 Insurance Code section 1023 requires the filing of sworn proofs of claims. The statute
14 specifically provides that a "claim must set forth, under oath, on the form prescribed by the
15 commissioner . . . (f) such other data or supporting documents as the commissioner requires."
16 (Ins. Code § 1023(f).) Insurance Code section 1025 states that claims "founded upon
17 unliquidated or undetermined demands . . . shall not share in any distribution to creditors . . . until
18 such claims have been definitely determined, proved and allowed." (Ins. Code § 1025.)
19 Moreover, Insurance Code section 1037 delegates to the Insurance Commissioner broad authority
20 to take such steps as may be necessary to complete the liquidation, while section 1020 of the
21 Insurance Code grants this Court authority to enter orders to prevent interference with the
22 Insurance Commissioner in the performance of his duties as Liquidator.

23 The Liquidator and the Court establish approval and oversight procedures that are
24 reasonable and make sense given the particular needs of each insolvent insurer estate, and that
25 facilitate the Court's assessment of whether the Commissioner is properly exercising his broad
26 discretion as statutory liquidator. (See, e.g., *Quackenbush v. Executive Life Ins. Co.* (1995) 32
27 Cal.App.4th 344, 358, and 401-403 [standard of review for court's review of liquidator's decisions
28 is "abuse of discretion" and liquidator should supply the court with adequate information to

1 permit intelligent evaluation of the basis for the liquidator's determinations].) The Insurance
2 Commissioner's ultimate duty is to collect the assets and distribute them ratably among creditors.
3 (*W.J. Jones & Sons v. Independence* (1942) 52 Cal.App.2d 374.)

4 The claimants against the WEIC estate include a substantial number of claimants whose
5 general liability claims were not yet fully developed. In some instances, claimants had been
6 named in litigation arising from toxic tort matters, but the litigation had not concluded or been
7 resolved. In other cases, the claimants held excess policies whose coverage may not have
8 attached as of the date of liquidation. [Collins Dec., ¶ 5]. Policyholders are permitted to file
9 "contingent and unliquidated" claims in California. (*Garamendi v. Mission* (1993) 15 Cal.App.4th
10 1277.) This allows them to preserve the "tail" coverage on their policies.

11 The instant motion seeks an order which will assist the Liquidator in valuing contingent and
12 unliquidated claims. The claims cannot be valued based on mere actuarial prediction. In
13 *Quackenbush v. Mission Ins. Co.* (1996) 46 Cal.App.4th 458, the Court of Appeal held that
14 Insurance Code section 1025 did not permit such mere estimates of the value of such claims, but
15 that such claims must be made certain within the meaning of the Insurance Code.

16 Subsequently, in the same Mission Insurance Company liquidation, the Insurance
17 Commissioner proposed an Amended Final Liquidation Dividend Plan. This plan provided for
18 claimants to provide claims updates to the Insurance Commissioner as liquidator. The plan also
19 provided that at some point, the Insurance Commissioner would apply for an order which set the
20 Insurance Code section 1025 valuation date. This plan has been upheld by the Court of Appeal.
21 (*Quackenbush v. Mission Insurance Company* (1998) 62 Cal.App.4th 797.)

22 The instant update motion for WEIC follows the same basic pattern. The Liquidator has
23 assets to distribute, but needs the claimants to provide detailed updates about the development of
24 their claims. The proposed proof of claim update form will require claimants, other than workers
25 compensation claimants, to provide the information necessary to finalize these claims by August
26 31, 2010, so that appropriate claims approvals and rejections may be made as to these pending
27 claims. The failure to file a timely supplement would be that those contingent and undetermined
28 claims not liquidated would not be eligible to share in the liquidation estate.

1 At some future point, the Insurance Commissioner as Liquidator anticipates filing a further
2 motion to determine a valuation date by which claims must be made final under Insurance Code
3 section 1025. The date proposed for this valuation will depend on the status as determined by the
4 claims updates to be received. In this way, an evaluation of the remaining claims can be
5 undertaken, to help determine which can be liquidated in a time frame consistent with closing of
6 this liquidation estate.

7 **CONCLUSION**

8 Accordingly, the Court is requested to grant this motion, and issue an order that:

9 A. Sets August 31, 2010 as the deadline by which all holders of claims, other than workers'
10 compensation claims, which include contingent or undetermined claims, must submit detailed
11 claims updates which set forth the facts regarding the further development of those claims;

12 B. Authorizes the Liquidator to send a notice to all applicable persons who filed proofs of
13 claims advising of this deadline, and approves the proposed notice and proof of claim update
14 form, both of which are attached as Exhibit "A" to the Declaration of Susan Collins; and

15 C. Authorizes the Liquidator to take such other steps to accomplish the foregoing as he may
16 deem appropriate and consistent with this motion.

CONSERVATION & LIQUIDATION OFFICE

Western Employers Insurance Company

Proof of Claim Update

Claims Update Deadline: August 31, 2010

To all policyholders and claimants that have a claim against a policyholder of Western Employers Insurance Company:

You are receiving this letter because you filed a proof of claim arising from a policy of insurance with Western Employers Insurance Company. Whether you are a policyholder, or whether you have a claim against a policyholder, this letter advises you of an important deadline, and encloses an important form for updating your proof of claim.

The California Insurance Commissioner as Liquidator has collected substantial assets for distribution to approved claimants of Western Employers Insurance Company. The Liquidator is now adjusting the numerous proofs of claims filed with the Liquidator. A large number of these proofs of claim involve claims which were unliquidated, contingent or otherwise not made certain. These include, but are not limited to, claims which are still in progress, claims which had not settled as of the original proof of claim deadline, and claims which were incurred but not reported when the original claims deadline was set.

California Insurance Code Section 1025 requires claims to be liquidated prior to their allowance. California Insurance Code Section 1023 permits the Insurance Commissioner to request documentation in support of proofs of claims.

The Court has ordered that each policyholder whose claim was in any respect contingent, unliquidated, or otherwise not made certain must file an update to the proof of claim by **August 31, 2010**. This deadline applies to **all** policyholder claims and claims against policyholders other than workers' compensation claims. Workers' compensation claimants need not file such an update.

The update form is enclosed with this letter. This form requires an update of the information about the claim, and requires the claimant to attach the documentation to demonstrate the status of the proof of claim. It is very important that this update form be filled out by every policyholder or claimant against a policyholder, and returned by August 31, 2010 to the Liquidator at the address shown on the update form. This updated information is very important to try to resolve the remaining claims against Western Employers Insurance Company. Please make your response as complete as possible, and please attach details about any litigation or other claims development on your update. If you fail to completely respond, your claim may be disallowed in whole or in part.

Please note that a failure to return the update form by the deadline could mean that any unliquidated, uncertain or contingent portion of the proof of claim could be rejected by the Liquidator.

Please consult with your attorney concerning how to fill out the form. The Conservation and Liquidation Office staff cannot provide you with legal advice about the form. If you are a workers' compensation claimant, you need not file this update form.

Should you have any questions regarding this matter please feel free to contact us at (415) 676-5020.

Sincerely,

Western Employers Insurance Company in Liquidation
