

CALIFORNIA INSURANCE COMPANY REHABILITATION PLAN

This REHABILITATION PLAN (the "Plan"), dated October 19, 2020, is made and established by Ricardo Lara, Insurance Commissioner of the State of California ("Commissioner"), in his capacity as the statutory conservator ("Conservator") of California Insurance Company ("CIC"), a California domiciled property and casualty insurance company in statutory conservation under California Insurance Code sections 1010-1062.

RECITALS

A. On November 4, 2019, CIC was placed into conservation ex parte by the Superior Court of San Mateo County, California, in the action entitled *Insurance Commissioner of the State of California v. California Insurance Company* (Case No. 19 CIV 06531 CPF-11-511261) at the request of the Commissioner, who was appointed the Conservator of CIC pursuant to Insurance Code section 1011(c). The court proceeding concerning the conservation shall be referred to herein as the "Conservation Proceeding" and the San Mateo Superior Court assigned to preside over the Conservation Proceeding shall be referred to as the "San Mateo Superior Court."

B. The Commissioner brought the Conservation Proceeding to respond to issues relating to Steven M. Menzies, an individual and pre-conservation Chief Executive Officer and sole indirect shareholder of CIC ("Menzies"), and CIC's attempt to consummate the sale of CIC to Menzies by unlawfully seeking to merge CIC into a newly created New Mexico entity, California Insurance Company, Inc. II ("CIC II"), without prior approval of the Commissioner as required by Insurance Code section 1215.2. The November 4, 2019, Order issued by the San Mateo Superior Court shall be referred to herein as the "Conservation Order."

C. The Conservator, having determined it to be in the best interests of the Policyholders, creditors, the shareholder of CIC and the public to resolve the issues requiring the Conservation Proceeding, to address the various issues underlying and pertaining to this Conservation Proceeding and litigation involving Policies, and to structure a plan for the rehabilitation of CIC, has now established this Plan and the other Transaction Documents to set forth all material terms and provisions for a comprehensive and integrated plan of rehabilitation for CIC. The Conservator shall have full authority to perform or take actions he deems necessary to ensure performance by CIC of any and all obligations required to be performed by CIC under this Plan.

D. Pursuant to this Plan and the other Transaction Documents described herein, effective as of the Closing, CIC shall, among other things, (1) perfect its attempted redomestication from California to New Mexico, on the terms and subject to the conditions set forth in this Plan; (2) enter into the Assumption Reinsurance and Administration Agreement to provide for the reinsurance and assumption of all in-force California, Connecticut and New York Policies issued by CIC and Applied Underwriters Captive Risk Assurance Company, Inc., a New Mexico domiciled property and casualty insurance company ("AUCRA") and the reinsurance of all liabilities of CIC and AUCRA to California, Connecticut and New York based Policyholders incurred prior to the Closing, and providing that the California, Connecticut and New York based Policyholders have the right to recover directly from the Reinsurer any of CIC's and AUCRA's obligations under the Policies; (3) surrender for cancellation its

California certificate of authority authorizing CIC to transact insurance in California by withdrawing from the state pursuant to Insurance Code section 1070 et seq.; (4) offer to settle Pending Litigation and Subsequent Litigation, as those terms are defined in Schedule 2.6, on reasonable terms as set forth herein; and (5) upon the consummation of the merger of CIC into and with CIC II, change the name of CIC II to a name that does not include the word "California" or any derivation of the word "California".

E. The Conservator has determined that this Plan, including the transactions contemplated by it, and the other Transaction Documents are fair and equitable to, and in the best interests of, the Policyholders, creditors, the shareholder of CIC, and to the insurance-buying public of the states in which CIC operates.

F. Any obligations that Menzies is required to perform under this Plan shall be performed by Menzies or his successors (including, but not limited to, his successors in interest or successors in position with CIC), or by CIC itself.

ARTICLE II TRANSACTIONS

Section 2.1. Transaction Documents. Subject to the terms, provisions and conditions of this Plan, the Conservator, on behalf of CIC, and where applicable, the Reinsurer, shall enter into the transactions set forth in this Plan and the Transaction Documents.

Section 2.2. Reinsurance Agreement. Cedants shall enter into the Assumption Reinsurance and Administration Agreement to provide for the reinsurance and assumption of all in-force California, Connecticut and New York Policies issued by Cedants and the reinsurance of all liabilities of Cedants to California, Connecticut and New York Policyholders incurred prior to the Closing with the Reinsurer granting the California, Connecticut and New York Policyholders the right to recover directly from the Reinsurer any of CIC's and/or obligations under the Policies.

(a) Selection of Reinsurer. The Conservator shall select an insurer authorized to write workers' compensation insurance in California, Connecticut and New York that is qualified to enter into the Reinsurance Agreement, as follows:

- (1) The Conservator shall prepare and publish a Solicitation of Expressions of Interest inviting certain insurers that are authorized to transact workers' compensation business in California, Connecticut and New York to submit an Expression of Interest to indicate their possible interest in entering into the Reinsurance Agreement as the Reinsurer. The Solicitation of Expressions of Interest shall include a detailed summary of the Policies to be reinsured and assumed, which shall detail the loss and unearned premium reserves; all related reinsurance, and other rights; rights to future premiums; and such additional information that the Conservator determines may be useful to an insurer to evaluate whether to respond to the Solicitation of Interest. The Solicitation of Expressions of Interest shall be accompanied by an actuarial opinion by an actuary retained by the Conservator, the cost of which shall be paid from the assets of CIC, attesting to the accuracy of the information provided. The Solicitation of Expressions of Interest shall specify a date by which Expressions of Interest shall be submitted to the Conservator.
- (2) Expressions of Possible Interest shall indicate the financial terms that would be required for the insurer to enter into the Reinsurance Agreement. Expressions of Interest shall be treated as confidential if so requested by the submitting insurer.
- (3) An Affiliate of CIC may submit an Expression of Interest but shall indicate therein that it agrees to be bound by the requirement of Section 2.2(c) regarding administration of claims by a third-party administrator.
- (4) The Conservator shall evaluate the Expressions of Interest and may engage in negotiations with individual insurers that have submitted Expressions of Interest, which negotiations shall be confidential. Upon completion of his evaluation, the Conservator in his sole discretion shall select the Reinsurer, taking into consideration the interests of Policyholders, creditors, and shareholders, consistent with the public interest.

- (5) Notwithstanding the confidentiality provision in paragraph (2) above, the Expression of Interest submitted by the selected Reinsurer shall be a public document.
- (6) In the course of evaluating and selecting the Reinsurer, the Conservator may retain such experts as he deems necessary or appropriate, the costs of which shall be paid out of the assets of CIC pursuant to Section 8.2 hereof.
- (7) Upon selection of a Reinsurer, the Conservator shall promptly file with the Conservation Court an application for approval of the Reinsurer.

(b) Reinsurance Agreement. Effective as of the Closing Date, Cedants and the Reinsurer shall enter into the Reinsurance Agreement, in form and substance attached hereto as Exhibit A, whereby, effective as of the Closing Date, Cedants shall cede to Reinsurer and Reinsurer shall reinsure and assume the Policies and the Policy Liabilities, which, if the Reinsurer is an Affiliate of CIC, shall be administered by a third-party administrator as set forth in this section. The primary purpose and intent of the Reinsurance Agreement is to provide, subject to the terms and limitations set forth in the Reinsurance Agreement, for the transfer and assumption of all in-force Policies and the reinsurance of all liabilities incurred under all such in-force and expired Policies to the extent the same are unpaid or unperformed on or after the Closing, before deduction for all other applicable cessions, if any, under Cedants' reinsurance programs. The provisions for the transfer and assumption of the Policies and the unpaid or unperformed liabilities and obligations incurred under such Policies prior to the Closing are set forth in the Reinsurance Agreement.

(c) Third-Party Administrator. If the Reinsurer is an Affiliate of CIC, the Policies and Policy Liabilities reinsured and assumed pursuant to the Reinsurance Agreement shall be administered by a qualified third-party administrator appointed by the Conservator. The third-party administrator shall administer all claims arising under the Policies reinsured and assumed by the Reinsurer, including adjustment and payment of claims and setting of loss reserves, until all of the Policies and Policy Liabilities reinsured and assumed pursuant to this Plan have been paid or otherwise extinguished.

The Conservator, on behalf of CIC, shall provide the CDI with information and documentation reasonably necessary to complete the proposed transfer of domicile of CIC from California to New Mexico. Where such a Claimant accepts the offer to settle, the Claimant, as defined in Schedule 2.6, and Cedants shall enter into a mutual release in accordance with the provisions of Schedule 2.6. Any liability to Cedants that results from the Pending Litigation and Subsequent Litigation in which the Claimant has not accepted the offer shall be transferred to the Reinsurer pursuant to the Reinsurance Agreement and thereafter shall be an obligation of the Reinsurer pursuant to the Reinsurance Agreement. The Reinsurer shall assume and shall be authorized to defend against any claims and matters, and to pursue and collect on any counterclaims and matters, arising in that Pending Litigation or in Subsequent Litigation.

After every such Claimant has made an Election, as defined in Schedule 2.6, the Conservator shall determine a reserve amount sufficient to cover all Pending Litigation not resolved by settlement and all matters identified in the Schedule of Subsequent Litigation and Potential Subsequent Litigation pursuant to Schedule 2.6. CIC will deposit 150% of that reserve amount in a special deposit account, pursuant to the terms and conditions of that account, which shall be approved by the Conservator, to secure all final claims in said Pending Litigation and Subsequent Litigation against Cedants. Control of the special deposit account shall be transferred to the Reinsurer upon the Closing. Cedants, their successors, and their Affiliates shall preserve all papers, books, claims files, accounting records and other records pertaining to the Pending Litigation and Subsequent Litigation for no less than five years after the Closing; for Pending Litigation and Subsequent Litigation not settled during the Conservation, such papers, books, claims files, accounting records and other records pertaining to the Pending Litigation and Subsequent Litigation shall be preserved for no less than five years after final resolution of the relevant case except as pertaining to workers' compensation claims in which benefits are potentially payable to an injured worker; in that event, such papers, books, claims files, accounting records and other records shall be indefinitely preserved. On the Closing Date, Cedants shall transfer to the Reinsurer all such papers, books, claims files, accounting records and other records pertaining to the Pending Litigation and Subsequent Litigation in its possession to the Reinsurer, which shall likewise preserve the papers, books, claims files, accounting records and other records pertaining to the Pending Litigation and Subsequent Litigation for the same period of time.

The Elections set forth in Schedule 2.6 shall be available exclusively to the Claimants in the Pending Litigation and Subsequent Litigation, as defined in Schedule 2.6, and Cedants shall not be required to offer the Elections to any Person other than such Claimants pursuant to this Agreement.

Section 2.7. Assignment of Medical Provider Agreements. The Rehabilitation Order shall assign from Cedants to the Reinsurer any agreements among Cedants and providers of medical services that are or may be necessary for the Reinsurer to service the Policies being reinsured and assumed by the Reinsurer.

Section 2.8. Transfer of Cedants Assets to Reinsurer. Subject to the terms and conditions contained in this Plan and the Reinsurance Agreement, at the Closing, the Cedants shall (1) convey and transfer to the Reinsurer, Cedants' right, title and interest to admitted assets of Cedants, free and clear of any Liens, having a net admitted asset value determined in accordance with SAP equal to Cedants' net unearned premium reserve, loss and loss adjustment expense (including losses that have been incurred but not reported) reserve, if any, relating to the Policies reinsured and assumed by Reinsurer under the Reinsurance Agreement; (2) convey and transfer to the Reinsurer any collateral posted by any California, Connecticut and New York Policyholder of Cedants pursuant to the terms of the Policies maintained by Cedants, to secure the obligations of the Policyholders under the Policies; (3) assign to Reinsurer any amounts due Cedants on or after the Closing Date under any reinsurance agreements in effect on or after the Closing Date among Cedants and any reinsurer (other than the Reinsurer) relating to the Policies reinsured and assumed by the Reinsurer pursuant to the Reinsurance Agreement; and (4) assign to Reinsurer any premiums receivable on and after the Closing Date attributable to the Policies reinsured and assumed by Reinsurer pursuant to the Reinsurance Agreement.

Section 2.9. Execution of Documents Evidencing Transfers and Assignments. At the Closing, Cedants shall deliver to the Reinsurer, such bills of sale, assignments, stock powers, bond powers, evidences of consent and such other transfer instruments or documents, all in form and substance satisfactory to the Reinsurer as may be reasonably necessary or desirable to evidence or perfect the sale, conveyance, transfer, assignment and delivery of, title to and right to use the assets transferred to Reinsurer by Cedants pursuant to Section 2.8 to Reinsurer, and at the Closing Reinsurer shall deliver receipts to Cedants for the assets transferred to Reinsurer pursuant Section 2.8.

Section 2.10. Name Change. After the Closing Date, upon the consummation of the merger of CIC into and with CIC II, Menzies shall cause CIC II to cease using any and all trade names, trademarks, logos and trade dress, including without limitation, those containing the words "California", or any other name, term or identification that includes any derivation of the word "California", in its policies, advertising, literature, inventory, products, labels, packaging, supplies or other materials relating to CIC and CIC II as soon as practicable, but in any event, subject to any approval by applicable Governmental Authorities, within one hundred and twenty (120) days after the Closing Date. After one hundred and twenty (120) days after the Closing Date, any inventory of CIC and CIC II supplies utilized by CIC or CIC II shall be relabeled (by sticker or other reasonable method) with a trade name and trademarks that do not include the words "California" or "CA" or any derivation of the foregoing. Insofar as CIC's name is used in CIC's outstanding agreements, CIC shall be entitled to use the names set forth therein to the extent necessary to enforce fully the provisions of those agreements until the termination or renewal of those agreements in the ordinary course.

The obligation of Menzies and Reinsurer to proceed with the Closing is subject to the fulfillment, satisfaction or written waiver, prior to or at the Closing, of each of the following conditions precedent (in addition to those described in Section 6.1 hereof):

(a) Performance by the Conservator. The Conservator shall have performed and complied, in all material respects, with all provisions of the agreements and covenants required by this Plan and the other Transaction Documents to be performed or complied with by each of them prior to or at the Closing, and there shall have been no adverse event or occurrence which materially impairs or interferes with the ability to consummate the transactions contemplated by this Plan or the other Transaction Documents and to perform each of their respective obligations under this Plan and the other Transaction Documents;

(b) Corporate Matters. The Conservator shall have delivered to Menzies and Reinsurer such other documents, instruments, certifications and further assurances reasonable and necessary to effect the transactions contemplated by this Plan and the other Transaction Documents; and

(c) Transaction Documents. On or prior to the Closing Date, the Conservator, Cedants and the Reinsurer shall have executed and delivered to Menzies, the Transaction Documents, and all of the conditions precedent stated in the Transaction Documents shall have been satisfied.

Section 6.3. Conditions Precedent to Conservator's Obligations to Close. The obligation of the Conservator to proceed with the Closing shall be subject to the fulfillment, satisfaction or written waiver, prior to or at the Closing, of each of the following conditions precedent (in addition to those described in Section 6.1 hereof):

(a) Performance by Menzies, Cedants and Reinsurer. Menzies, Cedants and the Reinsurer shall have performed and complied, in all material respects, with all provisions of the covenants and agreements required by this Plan to be performed or complied with by it prior to or at Closing, and there shall have been no adverse event which materially impairs or interferes with the ability of Menzies, Cedants or Reinsurer to consummate the transactions contemplated by this Plan and the other Transaction Documents and to perform their respective obligations under this Plan and the other Transaction Documents;

(b) Satisfaction of Judgments. CIC shall have fully satisfied all outstanding judgments entered prior to the Closing Date against CIC in any Litigation. For purposes of this provision, "outstanding judgment" means any final judgment on a matter brought in any state or federal court, arbitration, or mediation, where CIC has not paid the full amount required to satisfy the judgment. A "final judgment" includes final orders that have been affirmed on appeal, or where the final order is no longer appealable because, as of the Closing Date, the time for

appeal has lapsed and there is no appeal on file. In addition, all outstanding judgments entered against any Affiliate arising out of a Policy shall have been satisfied;

(c) Transaction Documents. On or prior to the Closing Date, Menzies, Cedants and Reinsurer shall have executed and delivered the Transaction Documents; and

(d) Expenses. On or prior to the Closing Date, CIC shall have paid any unpaid outstanding invoices for expenses described in Section 8.2 hereof.

ARTICLE VII CLOSING

Section 7.1. Closing. The Closing shall take place on the first Business Day following the satisfaction or waiver of all of the conditions set forth in Article VI (other than a condition which contemplate or require only delivery or filing of one or more documents immediately prior to or contemporaneously with the Closing) on the Closing Date at the principal offices of the Conservator, commencing at 10:00 a.m., local time, or at such other place and time as Menzies, the Conservator and the Reinsurer shall mutually agree.

Section 7.2. Sequence of Actions Necessary to Closing. The transactions necessary to Close under this Plan and the other Transaction Documents shall occur in the following sequence:

(a) After every Claimant has received their Settlement Offer and made an Election or declined to make such an Election, as set forth in Schedule 2.6, the Conservator shall determine a reserve amount sufficient to cover all Pending Litigation and Subsequent Litigation not resolved by settlement. CIC shall deposit 150% of that reserve amount in a special deposit account with the Reinsurer, pursuant to the terms and conditions of that account, which shall be approved by the Conservator, to secure all final claims in said Pending Litigation and Subsequent Litigation against Cedants, and Reinsurer;

(b) Cedants shall, within thirty (30) days of the Election by each Claimant, pay, or cause to be paid, the amount to which the Claimant is entitled. If a Cedant is entitled to receive payment from the Claimant under the Election, the Claimant shall make that payment within thirty (30) days of the Election or such further date as the Conservator may permit. Notwithstanding the foregoing, the failure of a Claimant to make payment under the Election shall not delay Closing; and

(c) After each of the Claimants has made their Election and received payment pursuant to Schedule 2.6 and each of the conditions precedent to the Closing set forth in Article VI hereof have been met or waived, the transactions set forth in this Plan and the other Transaction Documents shall be consummated pursuant to the terms and subject to the conditions set forth herein and therein.

Section 7.3. Items to be Delivered at Closing by the Conservator. At the Closing, upon the terms and subject to the conditions contained in this Plan, the Conservator on behalf CIC shall deliver or cause to be delivered to Menzies and Reinsurer the following:

(a) A certificate of the Conservator, dated as of the Closing Date, certifying that CIC has performed and complied in all material respects with all agreements and conditions required by this Plan to be performed and complied with by CIC at the Closing;

(b) Such orders of the San Mateo Superior Court confirming the terms of this Plan and the other Transaction Documents and the transactions contemplated hereby and thereby relative to the respective transactions and interests under this Plan; and

(c) Such other certificates and Closing documents as may be necessary for the consummation of the transactions contemplated by this Plan and the other Transaction Documents.

Section 7.4. Items to be Delivered at Closing by the Reinsurer. At the Closing, upon the terms and subject to the conditions contained in this Plan, the Reinsurer shall deliver, as appropriate, to the Conservator the following:

(a) A certificate of a duly authorized officer of Reinsurer, dated the Closing Date, certifying (1) that Reinsurer has performed and complied in all material respects with all agreements and conditions required by this Plan and the other Transaction Documents to be performed by Reinsurer at the Closing; (2) that Reinsurer has all requisite power and authority to execute and deliver the Reinsurance Agreement and any other documents required for the Closing to which it is a party and to consummate the transactions contemplated hereby and thereby; (3) that the execution, delivery and performance by Reinsurer of the Reinsurance Agreement will not violate any laws or statutes to which Reinsurer is subject, or its corporate charter or bylaws or any material indenture, contract or agreement to which Reinsurer is a party or by which it is bound; (4) that the Reinsurance Agreement has been duly executed and delivered by Reinsurer and constitutes the legal, valid and binding obligations of Reinsurer, enforceable against Reinsurer in accordance with its terms; and (5) if the Reinsurer is an Affiliate of CIC, an undertaking executed by Reinsurer confirming that the Reinsurer shall not issue or renew any policies in California unless such policies are in full compliance with all the applicable laws and regulatory requirements of the State of California;

(b) A copy of all resolutions adopted by the Board of Directors of Reinsurer, in each case relating to the transactions contemplated by this Plan and the other Transaction Documents, certified on the Closing Date to be true and correct and in effect by the Secretary or Assistant Secretary of Reinsurer, as the case may be; and

(c) Cedants shall have delivered the Transferred Assets to Reinsurer in compliance with the terms and subject to the conditions set forth in this Plan and the Reinsurance Agreement; and such other certificates and Closing documents as may be necessary for the consummation of the transactions contemplated by this Plan and the other Transaction Documents.

Section 7.5. Further Assurances after the Closing. Reinsurer shall, from time to time after the Closing, take such other proper actions and execute and deliver such other documents, instruments, certifications and further assurances as may reasonably be requested by another Person as required or necessary to effectuate the intent and purpose of this Plan and the other Transaction Documents.

Section 7.6. Reports to the Court Regarding Closing of Transactions, and Motion for Order Concluding Conservation Proceedings and Discharge of Conservator. After the Closing, the Conservator shall file such documents with the San Mateo Superior Court as are necessary to advise the Court of the Closing of the transactions contemplated by the Plan and the other Transaction Documents.

(a) After Closing, and at other times where the Conservator deems that significant milestones in the implementation of this Rehabilitation Agreement have been reached, the Conservator will file with the Court his Status Report making public the progress that has been made toward conclusion of the conservation.

(b) After the Closing and the consummation of the transactions set forth in this Plan, including full performance of Schedule 2.6, the Conservator shall apply to the Court for an order concluding the Conservation Proceedings and discharging the Commissioner as Conservator, but maintaining jurisdiction for the purpose of ensuring the enforcement of the Plan.

(c) Any and all claims arising out of or related to this Plan or to any of the other Transaction Documents shall be heard and determined by the San Mateo Superior Court, which shall have exclusive jurisdiction over any such disputes and shall have sole authority to determine the scope and nature of any remedies to be granted in connection with such claims.

ARTICLE VIII GENERAL PROVISIONS

Section 8.1. Termination. This Plan may be terminated prior to Closing only as follows:

(a) By the Conservator, if the San Mateo Superior Court does not grant the Conservator's motion to approve the Plan, if any Governmental Authority that must grant a requisite regulatory approval has denied approval of the transaction, or if any Governmental Authority has issued an injunction prohibiting the transaction that has become final and nonappealable; or

(b) By the Conservator, upon his reasonable determination, that the financial condition of CIC has materially deteriorated to the point that the Conservator will be unable to pay the Reinsurer all amounts due under the Reinsurance Agreement, and thereafter retain adequate free assets and sufficient cash flow to fund the anticipated costs of administering the Conservation Proceeding.

(c) In the event of the termination of this Plan pursuant to this Section 8.1, this Plan shall thereafter become void and have no effect, and no Person shall have any liability or obligation to any other Person under this Plan or the other Transaction Documents, provided,

however, that if this Plan is terminated as a result of the violation of this Plan by any Person, such Person shall not be relieved of its liability for such violation.

Section 8.2. Expenses. All costs and expenses, including attorneys' fees, incurred with regard to taking possession of, conserving, conducting, and rehabilitating CIC (including the pre-conservation costs of preparing to take possession of and conserving CIC, and all costs and expenses, including attorneys' fees, incurred by the Conservator and the CDI in bringing and prosecuting the conservation proceeding and order, and incurred with regard to or in relation to the Rehabilitation Agreement and Rehabilitation Order, including but not limited to, the costs of or associated with the Independent Consultant as defined in Schedule 2.6, and otherwise dealing with the business, conduct, and property of CIC under the provisions of Insurance Code sections 1010 et seq.) shall be paid out of the funds and assets of CIC. The Commissioner does not waive or limit any right, authority, or discretion with respect to entitlement to costs, expenses or compensation to be paid out of the assets of CIC under Insurance Code sections 1010 et seq. or any other provisions of the Insurance Code or applicable law.

(a) If there are any unpaid outstanding invoices for expenses described in Section 8.2 hereof, such invoices shall be paid at Closing. CIC and its successors-in-interest shall pay any additional invoices tendered after Closing and arising out of the Conservation (including the pre-conservation costs of preparing to take possession of and conserving CIC, and all costs and expenses, including attorneys' fees, incurred by the Conservator and the CDI in bringing and prosecuting the conservation proceeding and order, and incurred with regard to or in relation to the Rehabilitation Agreement and Rehabilitation Order, including but not limited to, the costs of or associated with the Independent Consultant as defined in Schedule 2.6, and otherwise dealing with the business, conduct, and property of CIC under the provisions of Insurance Code sections 1010 et seq.).

(b) In the interest of expediting performance of this Rehabilitation Agreement, the Conservator may commence the process of retaining the Independent Consultant and associated experts provided for in Schedule 2.6, and may commence their work, prior to approval by the Court of the Rehabilitation Order.

Section 8.3. Indemnification by Menzies and CIC with Respect to Third-Party Claims. Menzies and CIC shall hold the Conservator harmless against, and pay, any and all claims made by third parties, as such claims are suffered, sustained, incurred or required to be paid by the Conservator resulting from the breach of any representation, warranty, covenant or agreement of Menzies contained in or made pursuant to this Plan.

Section 8.4. Entire Plan. This Plan and the other Transaction Documents (including the exhibits and schedules attached hereto and thereto) supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Persons affected by this Plan. There are no representations, promises, warranties, covenants or undertakings, other than those expressly set forth or referred to in this Plan, and the other Transaction Documents.

Section 8.5. Amendment. This Plan may be amended only by the Conservator with leave

of Court upon a showing of good cause.

Section 8.6. No Assignment. None of the rights or obligations under this Plan or the other Transaction Documents may be assigned or transferred to or assumed by any other person, except as expressly provided herein.

Section 8.7. Governing Law. This Plan shall be governed and construed in accordance with the Laws of the State of California, including the Insurance Code, applicable to agreements made and to be performed entirely within the State of California, without giving effect to the principles of conflicts of law thereof, and jurisdiction and venue for any action arising under this Plan shall be in the San Mateo Superior Court.

II. POLICYHOLDERS' OPTIONS TO SETTLE LITIGATION

1. Every Claimant will be offered an opportunity to make an Election to settle any Pending Litigation or Subsequent Litigation to which it is a Party. Election shall be made by exercising in writing and submitting to the Conservator a notice of election to settle under "Option 1," "Option 2," or "Option 3," as defined in Article III, Article IV, and Article V, respectively. These options are available exclusively to a Claimant Party to Pending Litigation or to Claimants in Subsequent Litigation. The Company is not expected or required to offer these options to any other Person. The availability of these options shall not be construed as an admission of liability, and it is the intent of the Conservator that neither the existence of the options nor the acceptance of any option by particular Claimants shall be admissible for any purpose against the Company or its Affiliates.
2. A Claimant may, either by express declination of the written offer or by failing to act within the prescribed time, decline to settle under any of the options specified here, in which case that Claimant remains at liberty to pursue against the Company, its Affiliate, or their successor in interest its claims after the termination of the conservation, or such earlier date that the Conservator may specify.
3. Except as otherwise specified in this paragraph, upon election of Option 1, Option 2, or Option 3, the Policy that is the subject of the Pending Litigation or Subsequent Litigation will be Closed Out. Nothing herein shall be deemed to affect the obligations of the Company or the Reinsurer owed to any injured employee, or otherwise related to coverage, under a Policy.

III. OPTION 1

1. Option 1 is available to any Claimant who purchased a Guaranteed Cost Policy from the Company under its EquityComp or SolutionOne programs and who also executed an RPA.
2. The Claimant that elects Option 1 will be entitled to its "Option 1 Restitution Amount," calculated as follows:
 - a. The Total Payments;
 - b. Minus the CIC Guaranteed-Cost Premium, using the audited payroll and rates set forth in the Policy;
 - c. Minus related Continental National Indemnity Company Guaranteed-Cost Premium, using audited payroll and rates set forth in the policy.
3. If the result of the calculation prescribed in Section 2 of this Article is positive, the Company shall pay, or cause to be paid, to the Claimant the Option 1 Restitution Amount.
4. If the result of the calculation prescribed in Section 2 is negative, the Company may collect that amount, converted to a positive number. In no case may the sum of the Total Payments prior to the collection authorized in this Section plus the collection authorized in this Section exceed the CIC Guaranteed Cost Premium.
5. Claimant shall not be liable for, and neither the Company, its Affiliates, nor a Successor shall seek to collect, any amounts in excess of the collection authorized in Section 4.
6. Whether or not the Claimant executed an RPA, the Claimant electing Option 1 will not be liable for, and neither the Company, its Affiliates, nor a Successor will be entitled to collect, any charges under the RPA.

IV. OPTION 2

1. Option 2 is available to any Claimant who purchased a Guaranteed Cost Policy from the Company under its EquityComp or SolutionOne programs and who also executed an RPA.
2. The Claimant that elects Option 2 will be entitled to its Option 2 Restitution Amount, calculated as Total Payments minus the Retrospective Premium that would have been operative at the time of the Policy's inception:
 - a. The Retrospective Premium is calculated as the sum of the Cal Retro Plan California Standard Premium and the Non-California Standard Premium, multiplied by the sum of the Expense Ratio and the Insurance Charge, that quantity added to Incurred Losses and Incurred Allocated Loss Adjustment

Expenses, subject to a Minimum and Maximum Cost.

- b. The California Standard Premium is defined as:
 - i. The actual payroll by class code;
 - ii. Multiplied by the rate per \$100 for that class code, as specified in the filed and approved WCIRB pure premium rates operative at the time of the Policy's inception;
 - iii. Multiplied by the Experience Modification Rating (Xmod) for the Policy operative at the time of the Policy's inception;
 - iv. Multiplied by 1.15;
 - v. Summed across all class codes for all Policies. If the Claimant has more than one RPA, each RPA is calculated separately. If the Claimant had an extension from one agreement, the original and extension years are calculated together.
- c. The Non-California Standard Premium is defined as the workers' compensation insurance premium for risks with exposures outside California, determined on the basis of the insurer's authorized rates, by classification and by state, any applicable experience modifications, and any other authorized premium charge applicable, excluding premium discount.
- d. The Expense Ratio is taken from the WCIRB's Quarterly Experience Report as of December 31, 2019, calculated by subtracting the page 5 accident year loss and ALAE ratio from the page 6 combined ratio averaged by weighting on the Standard Premium average of each policy's expense ratio.
- e. The Insurance Charge is taken from the WCIRB Table ML in effect at the inception of the first Policy,
 - i. using the Ultimate Loss Group column determined from Section 1 of Schedule 1 of the RPA (intended to reflect expected losses during the three-year term of the RPA) and
 - ii. The Entry ratio determined by
 - (1) dividing the Maximum Loss and ALAE Ratio, taken from Section 2 of Schedule 1 of the RPA (referred to therein as "Cumulative Aggregate Limit")
 - (2) by the Expected Loss and ALAE Ratio, calculated by dividing the CIC Permissible Loss and LAE Ratio, taken from CIC's filed and approved Workers' Compensation Insurance – Rate Filing Form for the relevant period, by 1.1 to take into account unallocated loss adjustment

expenses (ULAE).

(3) For policies with a Minimum Loss and ALAE Ratio in addition to a Maximum Loss and ALAE Ratio, a corresponding calculation shall be made to reflect the expected portion of losses below the Minimum, which will be subtracted from the provision for losses above the Maximum in the calculation of the net Insurance Charge.

- f. Case Incurred losses and Incurred ALAE are determined by summing the Total Incurred column from the most recent Analysis of Ultimate Claims Costs section of the Plan Analysis.
3. For purposes of the calculation prescribed in Section 2 of this Article, "Actual Losses" means Paid Losses plus Case Reserves plus IBNR Reserves, as follows.
- a. "Paid Losses" means amounts recorded paid on and attributable to claims under the Claimant's Policy, including amounts paid under an RPA, subject to the provisions of Article VII.
 - b. "Case Reserves" means any reserves maintained by the Company for losses or loss adjustment expenses attributable to the Claimant's claims at issue in the Pending Litigation, subject to the provisions of Article VII, Section 1.
 - c. IBNR Reserves shall be calculated from CIC's 2009 through 2018 Annual Statements, Schedule P, Part 1, for direct and assumed loss payments (column 4), direct and assumed defense and cost-containment expenses (DCC) (column 6), direct and assumed losses unpaid – case basis (column 13), and direct and assumed DCC unpaid (column 17), as follows:
 - i. The direct and assumed loss and DCC case incurred for each accident year 2009 through 2018 is calculated by summing the data taken from the four columns specified in the preceding paragraph c, above, which will represent the diagonals of the direct and assumed loss and DCC case incurred data triangle, with the 2018 Annual Statement data being the bottom-most diagonal.
 - ii. Age-to-age loss and defense and cost-containment expenses (DCC) loss development factors for each accident year are derived by dividing the case incurred figure calculated as specified in subparagraph i of this paragraph c, above, for a given accident year at a given maturity by its equivalent at the prior maturity, producing averages of the age-to-age factors by maturity upon which the development pattern up to 120 months are determined.
 - iii. The ultimate tail factor at 120 months is calculated from the 2018 Annual Statement, Schedule P, Part 1, as the average, for accident years 2009, 2010, and 2011, of 1 plus

- (1) the sum of the direct and assumed losses unpaid – bulk and IBNR (column 15) and the direct and assumed DCC unpaid – bulk and IBNR (column 19)
 - (2) divided by the corresponding case incurred loss and DCC figure at the bottom of the corresponding data triangles.
 - (3) The calculated tail factor for accident year 2010 is adjusted to 120 months by dividing by the selected 108-120 month age-to-age development factor.
 - (4) The calculated tail factor for accident year 2011 is adjusted to 120 months by dividing by the selected 108-120 month and 96-108 month age-to-age development factors.
- iv. The final age-to-ultimate development factors are determined by multiplying the various age-to-age factors from subparagraph ii of this paragraph c by the selected 120-month ultimate tail factor from subparagraph iii of this paragraph c.
 - v. The specific age-to-ultimate factor for a given policyholder will be the factor from subparagraph iv of this paragraph c, above, which corresponds to the midpoint between the given policy effective and expiry dates.
 - vi. The IBNR provision prior to discount, as specified below in subparagraph vii of this paragraph c, will equal the specific age-to-ultimate development factor minus 1.0, multiplied by the sum of the policyholder's paid losses and case reserves.
 - vii. The IBNR provision shall be discounted to reflect an investment yield of 2.7% per year, which reflects the returns realized by CIC and property- casualty insurers for 2010 through 2019, by multiplying the IBNR provision prior to discount in subparagraph vi of this paragraph c, above, by 0.9, which reflects the 2.7% annual investment yield applied to loss payment patterns.

6. If there is a dispute regarding how the Cal Retro Plan is properly applied to the Claimant's Policy, that dispute shall be resolved by the Independent Consultant, whose determination will be final and non-reviewable.

V. OPTION 3

1. Option 3 is available to any Claimant who purchased a Guaranteed Cost Policy from the Company under its EquityComp or SolutionOne programs and who also executed an RPA.
2. The Claimant that elects Option 3 will be entitled to its "Option 3 Restitution Amount," calculated as follows:
 - a. The Total Payments;
 - b. Minus the "Final Cost" as prescribed in the "Scenario Worksheet" for Cumulative 3-Year Program Amounts on the Claimant's "Workers' Compensation Program Summary & Scenarios". Locate the equivalent "Ultimate Claims Cost" for Claimant's Actual Loss Ratio by dividing the Estimated LPCA by the Actual LPCA and multiplying that by the Actual Losses. Use the result to interpolate the Worksheet's equivalent "Ultimate Claims Cost" to determine the "Final Cost." Adjust that result for the Claimant's change in Actual LPCA over Estimated LPCA as well as the period of the Claimant's actual Active Term if other than 36 months.
3. For purposes of the calculation prescribed in Section 2 of this Article:
 - a. Any case reserves maintained by the Company on the Conservation Date and attributable to the Claimant's claims at issue in the Pending Litigation shall be treated as losses, subject to the provisions of Article VII;
 - b. IBNR Reserves, computed as for Option 2, shall be treated as losses, subject to the provisions of Article VII;
 - c. Recorded paid losses shall be treated as losses, subject to the provisions of Article VII; and
 - d. Paid losses and reserves shall be determined as of the June 30 or December 31 closest to and prior to the date when the final version of the templates are made public pursuant to Article VI, Section 1.
4. If the result of the calculation prescribed in Section 2 of this Article is positive, the Company shall pay, or cause to be paid to the Claimant, the Option 3 Restitution

Amount.

5. If the result of the calculation prescribed in Section 2 of this Article is negative, the Company may collect that amount, converted to a positive number, but in no case may the sum of the Total Payments prior to the collection authorized in this Section plus the collection authorized in this Section exceed the result of the calculation prescribed in Sections 2 and 3 of this Article.
6. If there is a dispute regarding how the RPA is properly applied to the Claimant's Policy, that dispute shall be resolved by the Independent Consultant, whose determination will be final and non-reviewable.

VI. PROCEDURE FOR SETTLEMENT OFFERS AND ELECTIONS

The templates shall prescribe each data element of the calculation and the formulas for combining the data elements into refund amounts. The Independent Consultant shall commence work on these templates upon appointment. Adoption of the templates shall be as follows:
 - a. Not later than 30 days after commencing its duties, the Independent Consultant shall make public draft templates prescribing how the Option 2 Refund Amount and the Option 3 Refund Amount will be calculated;
 - b. Not later than 15 days after the draft templates are made public, any person may offer comments on the draft templates; and
 - c. Not later than 60 after commencing its duties, the Independent Consultant shall make public the final versions of the templates. The Independent Consultant may, with the approval of the Conservator, extend this 60-day period. The Independent Consultant's determination of the templates shall be final.
2. Beginning not more than 10 days after the final versions of the templates are made public, and completing no more than 30 days after the final versions of the templates are made public, the Company shall submit to the Independent Consultant a data file for each Pending Litigation and Subsequent Litigation matter, specifying the values prescribed by the templates. The values the Company submits for case reserves and paid losses shall be the values on the Company's books as of the June 30 or December 31 closest to and prior to the date when the final version of the templates are made public pursuant to Article VI, Section 1, which the Company may not dispute in a review conducted pursuant to Article VII.
3. Simultaneous with submission of the data file prescribed in Section 2 of this Article, the Company shall provide a copy of the data file to each Claimant and its counsel in the Pending Litigation or Subsequent Litigation matter. Each Claimant may, within 15 days of receipt of the data file, dispute the data contained in the file. Any such dispute shall be

in writing, may include supporting evidence, and shall be simultaneously provided to the Company. At this stage, loss reserves and paid claims may not be challenged as they are subject to separate challenge under Article VII. Other values (e.g., premium and other amounts paid, payroll, experience modification factors, and schedule credits and debits) may be challenged in the dispute provided for in this Section. The Company, acting through its pre-conservation management, may, within 15 days of receipt of the dispute, submit a written answer to the Independent Consultant, with a simultaneous copy to the Claimant. The Independent Consultant may request from the Company, and the Company, acting through its pre-conservation management, shall provide any information necessary to resolve such a dispute. The Independent Consultant shall set forth in the settlement offer prescribed in Section 4 of this Article its determination of each disputed item, and the Independent Consultant's determination of such disputes shall be final.

4. Within 30 days of latest submission prescribed in Section 2 or permitted in Section 3 of this Article, the Independent Consultant shall submit to the Conservator, a written Settlement Offer to each Claimant, which the Conservator shall promptly tender to each Claimant. The Settlement Offer shall explain the Claimant's Election options, including the option not to settle Pending Litigation or Subsequent Litigation, and shall include the Independent Consultant's calculation of the Claimant's prospective restitution from, or liability to, the Company under Option 1, Option 2, and Option 3. The Settlement Offer shall also explain the Claimant's rights to obtain a Request for Claim Information and Review of Incurred Losses pursuant to Article VII. The Settlement Offer shall also explain to the Claimant that, if either party fails to make payment as specified in this Schedule 2.6, its sole and exclusive remedy is to seek enforcement of the Rehabilitation Order and the transactions entered into thereunder in the Conservation Court.
5. Each Settlement Offer under Option 1, Option 2, and Option 3 shall provide for the payment of interest as follows:
 - a. If the Restitution Amount is positive, CIC shall pay interest to the Claimant, over the period from the dollar-average date of Total Payments made to the date the Restitution Amount is paid, which shall be designated in the offer, at 2.7%, compounded annually.
 - b. If the Restitution Amount is negative, CIC shall collect interest from the Claimant, over the period from the dollar-average date of Total Payments due to the date the Restitution Amount is paid, which shall be designated in the offer, at 2.7%, compounded annually.
6. The Settlement Offer shall specify a date, not later than 30 days after the date of the Settlement Offer, by which the Claimant to whom it is addressed may make the Election. If the Claimant has requested a Review of Incurred Losses, the period for Election shall be extended as specified in Article VII, Section 4. Failure to make a timely Election shall be deemed declination of the Settlement Offer. A Claimant may request, and the Conservator may, in his discretion, grant a reasonable extension of the period for the Claimant to make the Election.

7. The Company shall, within 30 days of the Election, pay, or cause to be paid, the amount to which the Claimant is entitled. If the Company is entitled to receive payment from the Claimant under the Election, the Claimant shall make that payment within 30 days of the Election or such further date as the Conservator may permit. The Conservator may, upon a showing of hardship, prescribe such additional period, not to exceed 120 days, for a Claimant to make the payment prescribed in this Section. If the Company fails to make payment as specified in this Schedule 2.6, Claimant's sole and exclusive remedy is to seek enforcement of the Rehabilitation Order and the transactions entered into thereunder in the Conservation Court.
8. In making an Election, the Claimant shall irrevocably submit to the jurisdiction of the San Mateo Court in the Conservation Proceeding.

Multiple Requests for Review of Incurred Losses may be made for different claims, provided that each request is made within 30 days of receipt of the complete response to the Request for Claim Information pertaining to that claim. For good cause, the Independent Consultant may grant the Claimant additional time to make a Request for Review of Incurred Losses.
- d. The Request for Review of Incurred Losses shall specify the claim number or, if the Claimant cannot provide the claim number, sufficient alternative information necessary to identify each claim to which the request pertains.
- e. The Request for Review of Incurred Losses shall specify whether the request is for a review of case reserves, of claim payments, or both.
- f. The Request for Review of Incurred Losses may, but is not required to, contain argument why the Claimant contends the case reserves are Overstated or the reserves are materially Redundant, and may, but is not required to, be accompanied by a statement of opinion by a Qualified Expert retained by and at the expense of the Claimant.

3. Review of Incurred Losses

- a. Where the Request for Review of Incurred Losses alleges that a claim was Overpaid, the review shall be limited to reviewing the claim files for instances of failure to comply with the following claim-handling standards, based on evidence in the claim file and reasonable inferences from that evidence:

The payments made and reserves set by the Company shall be given no more or less weight than any other expert opinion.
- d. Within 30 days of receipt of a Request for Review of Incurred Losses, the Independent Consultant shall issue a written decision determining, as to each claim, whether the claim was Overpaid and whether the case reserves are Redundant. If the Independent Consultant determines either that the claim was Overpaid or case reserves are Redundant, the Independent Consultant shall determine the amounts by which the claim was Overpaid or the reserves are Redundant and shall revise the Option 2 Restitution Amount and the Option 3 Restitution Amount accordingly. The Independent Consultant's determination of the Review of Incurred Losses and of the Restitution Amounts shall be final.

If the review of Incurred Losses results in any change in the Restitution Amount, the adjusted amount shall also reflect any reduction of other expenses, such as premium taxes and assessments, that are calculated as a percentage of premium.

- c. A revised Settlement Offer shall give Claimant 30 days to make an Election. A Claimant may request, and the Conservator may, in his discretion, grant a reasonable extension of the period for the Claimant to make the Election.

Notwithstanding the foregoing, the term "Non-Novated Policy" shall not include any Policy from and after the date of its assumption by novation at any time by the Reinsurer.

Section 2.05. Policy Liabilities. The Reinsurer accepts, reinsures, and assumes the

Policies and Policy Liabilities subject to any and all defenses, setoffs, and counterclaims to which Cedants would be entitled with respect to the Policy Liabilities, it being expressly understood and agreed by the Parties hereto that no such defenses, setoffs, or counterclaims are or shall be waived by the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby, and that the Reinsurer is and shall be fully subrogated in and to all such defenses, setoffs, and counterclaims. From and after the Effective Time, as among the Parties, the Reinsurer shall bear and shall have responsibility for paying or performing all Policy Liabilities. The Policy Liabilities ceded under this Agreement shall be subject to any changes required by Law and the same rates, terms, conditions, waivers, interpretations, modifications and alterations as the Policies.

ARTICLE III ASSUMPTION CERTIFICATES; OPTION LETTERS

Section 3.01. Notification Materials. The Conservator shall prepare and deliver a Notice of Transfer and Certificate of Assumption together with those notices and materials substantially in the form set forth in Exhibit A attached hereto (collectively, the “Notification Materials”), which shall inform each Policyholder to a Policy of the proposed transfer, assumption and novation of such Policy. The Conservator shall prepare the Notification Materials for inclusion in the Notification Package as soon as feasible, but no later than 10 days after the Effective Date of the Rehabilitation Plan.

Section 3.02. Mailing. No assumption by novation of a Policy shall take effect until the earlier of the acceptance of the assumption by the Policyholder to a Policy or thirty (30) days (or such other period, if any, as may be required by applicable Law) (the “Novation Date”) after the Notification Materials have been mailed to each Policyholder.

Section 3.03. Expenses. All expenses incurred by the Parties hereto to prepare and mail the Notification Materials pursuant to this Article shall be the exclusive responsibility of CIC.

ARTICLE IV TERM

Section 4.01. Term. This Agreement shall remain in force and effect until all Policy Liabilities reinsured and assumed by Reinsurer have been discharged in full, or all Policies are transferred and assumed by the Reinsurer by novation and all obligations of the Reinsurer hereunder have been fully discharged and extinguished.

ARTICLE V CONSIDERATION

Section 5.01. Consideration to the Reinsurer. The Reinsurer shall be entitled to all premium, premium adjustments and other consideration allocable to coverage provided by the Policies after the Effective Time (irrespective of when due) received by Cedants or the Reinsurer with respect to the Policies. In the event that Cedants receive any premium or other consideration with respect to a Policy allocable to coverage after the Effective Time, Cedants shall promptly remit such premiums and other consideration to the Reinsurer along with all pertinent information

pertaining thereto including the nature of the payment, source of funds, policy number and period to which it relates. In the event that the Reinsurer receives any premium or other consideration with respect to a contractual liability or contractual obligation arising under a Policy paid or performed by Cedants prior to the Effective Time, the Reinsurer shall promptly remit such premiums and other consideration to Cedants along with all pertinent information pertaining thereto including the nature of the payment, source of funds, policy number and period to which it relates.

Section 5.02. Application of Future Consideration. Any premium, premium adjustments and other consideration received and retained by the Reinsurer pursuant to Section 5.01 shall be applied by the Reinsurer to the oldest unpaid obligations or outstanding invoices relating to the period after the Effective Time.

Section 5.03. Additional Consideration for Indemnity Reinsurance. As additional consideration for the assumption by Reinsurer of the Policy Liabilities, Cedants shall (1) transfer to Reinsurer as of the Effective Time Cedants' right, title and interest to admitted assets of Cedants free and clear of any Liens, having a net admitted asset value determined in accordance with SAP equal to Cedants' net unearned premium reserve, loss, and loss adjustment expense (including losses that have been incurred but not reported) reserve, if any, attributable to claims arising under the Policies prior to the Effective Time; (2) assign to Reinsurer as of the Effective Time Cedants' right, title and interest to all collateral posted by any Cedant Policyholder pursuant to the terms of the Policies and maintained by Cedants or any Affiliate of CIC to secure the obligations of the Policyholders under the Policies; and (3) assign to Reinsurer any amounts due to Cedants under any reinsurance agreements in effect on or after the Effective Time including any renewals or extensions thereof, between Cedants and any reinsurer (other than the Reinsurer) relating to the Policy Liabilities assumed by the Reinsurer under this Agreement. All recoveries by Cedants from reinsurers other than the Reinsurer, to the extent such reinsurance agreements, treaties and contracts provide reinsurance coverage for the Policy Liabilities shall be paid promptly by Cedants to the Reinsurer.

ARTICLE VI

ACCOUNTING AND SETTLEMENT

Section 6.01. Accounting Reports. On or before the last Business Day of each month, the Reinsurer shall provide Cedants with reports of activities under this Agreement with respect to the Policies for the preceding month showing any amounts due Cedants or the Reinsurer, as the case may be, as reimbursement for paid claims, premiums or other amounts due with respect to the Policies and any information required by the Statement of Statutory Accounting Principles, as amended, of the National Association of Insurance Commissioners. On or before the last Business Day of January, April, July and October, the Reinsurer shall provide Cedants with quarterly reports or an annual report of such activities as appropriate.

Section 6.02. Financial Statement Information. The Reinsurer and Cedants shall each provide the others with the financial, accounting and actuarial information necessary to prepare SAP regulatory, tax and GAAP monthly, quarterly and annual financial statements and returns and satisfy other requirements including reserve and related calculations regarding the Policies in the form reasonably required by the Reinsurer and Cedants. Cedants and the Reinsurer shall agree to mutually acceptable procedures and time schedules for the transmission and receipt of such information.

Section 6.03. Settlements. Within ten (10) Business Days after delivery of each monthly report, the Reinsurer and Cedants shall settle on an estimated basis, all amounts then due under this Agreement for that month. The Reinsurer and Cedants shall make a final settlement of all amounts due for each calendar year within twenty (20) Business Days after the delivery of the annual report referred to in Section 6.01 hereof.

Section 6.04. Net Payment Basis. Amounts payable under this Agreement by the Parties hereto shall be settled against each other, dollar for dollar, and only a net payment shall be due; provided, however, that no balance or amount due by the Parties under any other agreement shall be offset against any obligation arising under this Agreement.

Section 6.05. Late Payments. If any payment due any Party is received by another Party more than sixty (60) days after the due date for such payment under this Agreement, interest shall accrue from the date on which such payment was due (taking into account the provisions of Section 6.06 hereof) until payment is received by the Party entitled thereto, at an annual rate equal to the Bank of America Reference Rate quoted for six-month periods as reported in The Wall Street Journal on the first Business Day of the month in which such payment first becomes due.

Section 6.06. Federal Funds. All settlements in accordance with this Agreement shall be made by wire transfer of immediately available funds on the due date, or if such day is not a Business Day, on the next day which is a Business Day. Payment may be made by check payable in immediately available funds in the event the Party entitled to receive payment has failed to provide wire transfer instructions.

Section 6.07. Reports to Governmental Authorities. During the term of this Agreement,

the Reinsurer and Cedants shall promptly furnish each other copies of any and all filings with, and reports or communications received from, any Governmental Authority which relates directly and materially to the Policies, including, without limitation, each annual statement, each quarterly financial report to the Governmental Authority of the Party's domicile having principal jurisdiction over the Party and each report on periodic examination issued by such Governmental Authority to the extent it relates to the Policies.

ARTICLE VII POLICY ADMINISTRATION; REPORTING

Section 7.01. Administration of Policies. The Reinsurer, or, if the Reinsurer is an Affiliate of CIC, an independent third-party administrator appointed by the Conservator of CIC as provided in Section 2.2 of the Rehabilitation Plan, shall administer the Policies and Policy Liabilities reinsured and assumed by Reinsurer pursuant to this Agreement including adjustment and payment of claims and setting of loss reserves with respect to all Policies and Policy Liabilities reinsured and assumed hereunder until all Policies and Policy Liabilities reinsured and assumed pursuant to this Agreement have been fully discharged and extinguished. Without limiting the foregoing, the Reinsurer or the third-party administrator on behalf of the Reinsurer, shall provide reasonable advance notice to Cedants of its intent to cancel specific Policies for non-payment of premium. Unless the applicable Cedant objects to the proposed cancellations within five calendar days of receipt of the notice from the Reinsurer or the third-party administrator, the Reinsurer or the third-party administrator on behalf of Reinsurer shall have the right to cancel the referenced Policies for non- payment of premium in a manner consistent with applicable Law. If the applicable Cedant objects to the proposed cancellation of any Policy for non-payment of premium, the applicable Cedant shall indemnify the Reinsurer for any unpaid premium with respect to any such Policy until such Policy is cancelled.

Section 7.02. Administration. The Reinsurer or a third-party administrator on behalf of the Reinsurer shall, at the Reinsurer's expense, provide the technical and administrative service, assistance and support functions described in Schedule 7.02 attached hereto (the "Services") reasonably necessary or appropriate for the proper management and administration of the Policies, which shall include, but not be limited to, the Services required for the proper administration of the Policies prior to the Effective Time and not performed as of the Effective Time. The Services by Reinsurer or a third-party administrator on behalf of the Reinsurer shall at all times be consistent with applicable Law, regulatory actions, and pronouncements.

Section 7.03. Claims Payment Instructions. The Reinsurer or a third-party administrator on behalf of the Reinsurer, as appropriate, at the expense of the Reinsurer, shall administer and process all payments to injured workers for covered claims under the Policies (the "Claims") in conformance with applicable Law, including review, investigation, adjustment, settlement, defense and payment of Claims, special investigation and anti-fraud compliance, and preparation of any report required concerning the foregoing Services and will, in connection with such Claims administration, retain, at its sole discretion, any outside investigation firms, adjusters, attorneys or other professionals that the third party administrator or Reinsurer, as appropriate, deems necessary in the adjustment of such Claims.

Section 7.04. Communications Relating to Policies. On and after the Effective Time, Cedants shall forward promptly to the Reinsurer all notices and other written communications it receives relating to the Policies (including all inquiries or complaints from state insurance regulators, agents, brokers and policyholders and all notices of claims, suits and actions for which it receives service of process). Cedants shall be entitled to retain copies of all such materials.

Section 7.05. Complaint Handling Procedure. The Parties shall cooperate with each other in providing information necessary to respond to any inquiries and complaints concerning the Policies. All inquiries and complaints concerning the Policies received by Cedants shall be forwarded immediately by email, facsimile or overnight mail to a contact person designated by the Reinsurer for reply. After consultation with the applicable Cedant, except as provided below, the Reinsurer shall answer all inquiries and complaints received by it concerning the Policies. If the Reinsurer and the applicable Cedant disagree as to the appropriate response to an inquiry or complaint, the applicable Cedant shall be entitled to assume, at its own expense, the control of the handling of the response to such inquiry or complaint (a "Disputed Complaint"), including employment of counsel. The applicable Cedant shall apprise the Reinsurer of and consult with the Reinsurer with respect to the progress of a Disputed Complaint. In exercising such control, Cedants shall act in good faith with respect to similar inquiries or complaints. Any payment arising out of a Disputed Complaint controlled by Cedants, to the extent such payment constitutes an Extra-Contractual Liability, shall be added to the Policy Liabilities and shall be unconditionally binding on the Reinsurer; provided, however, that if the applicable Cedant receives an offer of settlement or compromise from the other parties to a Disputed Complaint for a specific amount or obtains a commitment from such other parties that they would accept a compromise or settlement requiring only the payment of a specific amount, the granting of an appropriate release or similar accommodation, and Cedants, after mandatory consultation with and over the objection of the Reinsurer, refuses to consent thereto and elects to continue to dispute or otherwise pursue such Disputed Complaint, then the liability of the Reinsurer with respect to such Disputed Complaint shall be deemed limited to that amount including expenses for which Cedants would have been liable if such compromise and settlement had been accepted by Cedants. Upon answering such inquiries or complaints, the Reinsurer shall furnish Cedants with a copy of the complaint file. The Reinsurer shall be solely responsible for maintaining any complaint files, complaint registers or other reports of any kind, that are required to be maintained under applicable Law.

Section 7.06. Filings. The Reinsurer shall be responsible for all compliance and regulatory matters relating to the administration of the Policies, including monitoring changes in applicable Law, filing and refiling forms and rates, and preparing and filing all reports and other filings required by applicable Law. The Reinsurer shall provide to Cedants copies of all reports and filings with respect to the Policies required to be made with any Governmental Authority.

Section 7.07. Communications Relating to Policies. On and after the Effective Time, Cedants shall forward promptly to the Reinsurer all notices and other written communications received by it relating to the Policies (including all inquiries or complaints from Governmental Authorities, agents, brokers and insureds and all notices of claims, suits and actions for which it receives service of process). Cedants shall be entitled to retain copies of all such materials.

Section 7.08. Inspection. Each Party hereto and its respective authorized representatives shall have the right, upon prior written notice, at reasonable times during normal business hours,

to inspect and review all books, records, accounts, reports, tax returns, files and information of the other party hereto reasonably relating to this Agreement. The Parties shall keep all non-public information received from the other Party strictly confidential, and unless otherwise required by applicable Law or Governmental Authority, shall not disclose any of the same without obtaining the prior approval of the Party providing the information. The rights of the Parties under this Section 7.08 shall survive termination of this Agreement.

ARTICLE VIII REGULATORY APPROVALS; STATEMENT CREDIT

Section 8.01. Regulatory Approvals. The consummation of this Agreement and the transactions contemplated hereby are expressly contingent upon and subject to obtaining any and all such approvals and consents as may be required by applicable Law, regulation, or from the Conservation Court and any Governmental Authority. No provision in this Agreement shall be deemed to require any Party hereto to take any action prohibited by applicable Law, regulation, or Governmental Authority. The form of any application for any such approvals or consents as may be required by applicable Law, regulation, or Governmental Authority shall be approved by Cedants and the Reinsurer prior to the filing of any such application.

Section 8.02. Statement Credit. The Reinsurer shall at its own expense take all actions reasonably necessary to permit Cedants to obtain full financial statement credit in all applicable jurisdictions for the reinsurance provided to it by the Reinsurer and the assumptions by novation pursuant to this Agreement, including, if necessary, posting acceptable security.

ARTICLE IX INDEMNIFICATION

Section 9.01. Indemnification by the Reinsurer. The Reinsurer shall indemnify, defend and hold Cedants harmless from and against all Policy Liabilities and all losses, liabilities, claims, damages and expenses (including reasonable attorneys' fees and expenses) that are based upon or arise out of the breach of any obligation of the Reinsurer provided for in this Agreement.

Section 9.02. Indemnification by Cedants. Cedants shall indemnify the Reinsurer against, and hold Reinsurer harmless from, all losses, liabilities, claims, damages and expenses (including reasonable attorneys' fees and expenses) that are based upon or arise out of the breach of any obligation of either Cedant provided for in this Agreement.

ARTICLE X INSOLVENCY

Section 10.01. Payments by the Reinsurer. With respect to any Policy, the Reinsurer hereby agrees that all amounts due under this Agreement with respect to the Policies shall be payable by the Reinsurer to any conservator, liquidator, or statutory successor of a Cedant on the basis of the claims allowed against a Cedant by any court of competent jurisdiction or by any conservator, liquidator, or statutory successor of a Cedant having authority to allow such claims, without diminution because of that insolvency; or because the conservator, liquidator, or statutory successor has failed to pay all or a portion of any claims. Payments by the Reinsurer as set forth in

this Section 10.01 shall be made directly to the applicable Cedant, or to its conservator, liquidator, or statutory successor, except where the Policy specifically provides another payee of such reinsurance in the event of the insolvency of either Cedant.

Section 10.02. Claims. It is agreed that in the event of the insolvency of a Cedant, the liquidator, receiver or other statutory successor of a Cedant shall give prompt written notice to the Reinsurer of the pendency or submission of a Claim under the Policies reinsured and assumed hereunder. During the pendency of such claim, the Reinsurer may investigate such Claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense available to a Cedant, or their respective receiver. The expense thus incurred by the Reinsurer is chargeable against the applicable Cedant, subject to any court approval, as a part of the expense of insolvency, liquidation, or rehabilitation to the extent of a proportionate share of the benefit which accrues to either Cedant, solely as a result of the defense undertaken by the Reinsurer.

Section 10.03. Amounts Due under the Policies. All amounts due under the Policies shall be payable by the Reinsurer on the basis of the liability of the Reinsurer under the Policies, without diminution because of the insolvency of a Cedant. Any benefits or amounts due to insureds with respect to a Policy shall be paid or performed by the Reinsurer in accordance with the Policy.

ARTICLE XI ARBITRATION

Section 11.01. Conciliation. If a dispute between the Parties relating to this Agreement is not resolved within ten (10) Business Days from the date that a Party has notified the other Party that such dispute exists, then such dispute shall be submitted on the next Business Day for conciliation to a senior executive officer or his or her designee of each Party. If such senior executive officers are unable to resolve the dispute within fifteen (15) Business Days from the date that it is first presented to them, then such dispute shall be referred to binding arbitration.

Section 11.02. Arbitration. In the event of any dispute between the Parties hereto relating to, arising out of, or in connection with any provision of this Agreement (hereinafter a "Dispute"), the Parties to this Agreement and their representatives, designees, successors and assigns agree that any such Dispute shall be settled by binding arbitration to take place in California.

Section 11.03. Appointment of Arbitrator. Any arbitration hereunder shall be conducted by a single arbitrator chosen from the panel of arbitrators of the Judicial Arbitration & Mediation Services ("JAMS") with experience and expertise in the workers' compensation insurance business. If a JAMS arbitrator with specific experience in the workers' compensation insurance business is not available, the arbitrator must have general experience in the property and casualty insurance industry. Within ten (10) days of notice of a Dispute from a Cedant to Reinsurer or notice from Reinsurer to a Cedant, the applicable Cedants and Reinsurer shall use their best efforts to choose a mutually agreeable arbitrator. If the Cedants and the Reinsurer cannot agree on an arbitrator, the arbitrator shall promptly be selected by JAMS.

Section 11.04. Procedures. The Party submitting a Dispute to arbitration hereunder shall

present its case to the arbitrator and the other Party hereto in written form within twenty (20) days after the appointment of the arbitrator. The other Party hereto shall then have twenty (20) days to submit a written response to the arbitrator and the original party who submitted the Dispute to arbitration. After timely receipt of each Party's case, the arbitrator shall have twenty (20) days to render his or her decision.

Section 11.05. Judicial Formalities. The arbitrator is relieved from judicial formalities and, in addition to considering the rules of law, the limitations contained in this Agreement and the customs and practices of the workers' compensation insurance industry, shall make his or her award with a view to effectuating the intent of this Agreement.

Section 11.06. Decisions Final. The decision of the arbitrator shall be final and binding upon the Parties, and judgment may be entered thereon in a court of competent jurisdiction.

Section 11.07. Costs. Each Party shall bear its own cost of arbitration, and the costs of the arbitrator shall be shared equally by the Parties.

Section 11.08. Equitable Relief. Sections 11.01 and 11.02 shall not apply to any claim for equitable relief, including, without limitation, claims for specific performance, a preliminary injunction, or a temporary restraining order. Such claims shall be submitted to a court of competent jurisdiction, and neither Party shall be required to post any bond or other security. If a Party chooses to pursue equitable relief, such conduct shall not constitute a waiver of, or be deemed inconsistent with, the arbitration provisions set forth in this Article XI. Once the claims for equitable relief are finally decided, any and all remaining claims shall be submitted to arbitration pursuant to Section 11.02 and the arbitrator shall be bound by the findings and rulings of the court on the claims for equitable relief.

Section 11.09. Survival of Article. This Article XI shall survive termination of this Agreement.

Section 12.05. No Third-Party Beneficiary. Except as otherwise specifically provided in this Agreement, nothing in this Agreement is intended or shall be construed to give any person, other than the Parties hereto, their successors and permitted assigns, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provisions contained herein.

Section 12.06. Amendment. This Agreement may only be amended or modified by a written instrument executed on behalf of the Parties hereto and any such amendment shall be subject to receipt of any and all consents, approvals, permits and authorizations required to be obtained from Governmental Authorities.

Section 12.07. Assignment; Binding Effect. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by either of the Parties hereto without the prior written consent of the other Party, and any such assignment that is attempted without such consent shall be null and void. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and permitted assigns.

Section 12.08. Invalid Provisions. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under any present or future Law, and if the rights or obligations of the Parties under this Agreement will not be materially and adversely affected thereby, (a) such provision shall be fully severable; (b) this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part hereof; and (c) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance herefrom.

Section 12.09. Duty of Cooperation. Each Party hereto shall cooperate fully with the other party hereto in all reasonable respects in order to accomplish the objectives of this Agreement.

Section 12.10. Governing Law. This Agreement shall be governed by and construed in accordance with the Law of the State of California.

Section 12.11. Waiver. Any term or condition of this Agreement may be waived in

writing at any time by the Party that is entitled to the benefit thereof. A waiver on one occasion shall not be deemed to be a waiver of the same or any other breach or nonfulfillment on a future occasion. All remedies, either under the terms of this Agreement, or by Law or otherwise afforded, shall be cumulative and not alternative, except as otherwise provided by Law.

Section 12.12. Errors and Omissions. Inadvertent delays, errors or omissions that occur or are made in connection with the transactions contemplated by this Agreement shall not relieve any Party from any liability that would have attached had such delay, error or omission not occurred, provided that such error or omission is rectified by the Party making such error or omission as soon as possible after discovery thereof and such error or omission does not prejudice any other Party.

Section 12.13. Interpretation. For purposes of this Agreement, the terms “hereof”, “herein”, “hereto”, “hereunder”, and derivative or similar words refer to this Agreement (including the exhibits hereto) as a whole unless otherwise indicated. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation”. Whenever the singular is used herein, the same shall include the plural, and whenever the plural is used herein, the same shall include the singular, where appropriate. Dear Policyholder:

This notifies you of an agreement reached between California Insurance Company ("CIC"), Applied Underwriters Captive Risk Assurance Company, Inc. ("AUCRA") and _____, a/an _____ domiciled property and casualty Insurance Company ("Reinsurer"), for the transfer of your [California, Connecticut or New York] workers' compensation insurance policy from CIC and/or AUCRA to Reinsurer. This assumption will be effective as of 12:01 a.m. Pacific Time, on _____, 202___. Your policy is being transferred from CIC and/or AUCRA to Reinsurer pursuant to the terms and subject to the conditions set forth in a Rehabilitation Plan relating to the conservation of CIC and as ordered by the Conservation Court supervising the conservation of CIC.

The Reinsurer is authorized to provide workers' compensation insurance in [California Connecticut and New York]. To introduce you to the Reinsurer, attached is a summary of essential information about Reinsurer.

Your rights as a policyholder and the terms of your policy will not change as a result of the transfer. Additionally, your benefits will not change as a result of the transfer. Upon the effective date of the policy transfer, Reinsurer will provide your coverage. It will have direct responsibility for the payment of all claims and benefits and for all other policy obligations.

You have the following options with regard to the assumption of your policy:

Option 1. Accept the transfer of your policy from CIC and/or AUCRA to Reinsurer.

Option 2. Object to the Rehabilitation Plan and the proposed transfer of your policy from CIC and/or AUCRA to Reinsurer.

CIC, AUCRA and Reinsurer recommend that you choose Option 1.

If you wish to choose Option 1, simply do not return the Rejection Form and you will automatically be deemed to have accepted this option as of [date]. You should then attach the [enclosed] Certificate of Assumption [that you will be receiving under separate cover] to your policy.

If you wish to choose Option 2, you must complete the enclosed Rejection Form, sign it and return it within 30 days of this Notice. If you do not return the Rejection Form within that time, you will be deemed to have accepted the transfer of your policy. [You should also return the [enclosed] Certificate of Assumption.]

In considering whether to accept the assumption, please note as of the date of the agreement among CIC, AUCRA and Reinsurer, CIC will withdraw entirely from the California [Connecticut and New York] insurance market and cease offering workers' compensation insurance in California [Connecticut or New York]. Please also note that if you accept Option 2, the Reinsurer will be responsible for the policy liabilities and administration of the CIC and/or AUCRA California [Connecticut or New York] workers' compensation insurance policies after CIC withdraws completely from the California [Connecticut or New York] market. As a result, if you reject the assumption, Reinsurer will be responsible for the Policy Liabilities under such Policies and for administering your CIC and/or AUCRA policy until your insurance terminates.

The enclosed Certificate of Assumption should be attached to your policy unless you choose to reject the assumption of your policy.

Your current and future premiums should be paid as indicated by your premium notices.

If you have any questions about the assumption of your policy or about CIC and/or AUCRA or [Reinsurer], please feel free to call CIC at _____. Written inquiries may be mailed to: CIC at [Address], [City], [State] [Zip Code].
