**California Life and Health Insurance
Guarantee Association Act
Summary Document and Disclaimer**

Residents of California who purchase life and health insurance and annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the California Life and Health Insurance Guarantee Association ("CLHIGA"). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guarantee Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided through the Guarantee Association is not unlimited, as noted in the box below, and is not a substitute for consumers' care in selecting insurers.

The California Life and Health Insurance Guarantee Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. **However, insurance companies and their agents are prohibited by law from using the existence of the Guarantee Association to induce you to purchase any kind of insurance policy.**

Policyholders with additional questions should first contact their insurer or agent or may then contact

The state law that provides for this safety net coverage is called the California Life and Health Guarantee Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the California Life and Health Insurance Guarantee Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guarantee Association if:

(please turn over)

- * Their insurer was not authorized to do business in this state when it issued the policy or contract:
- * Their policy was issued by a health care service plan (HMO, Blue Cross, Blue Shield), a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society;
- * They are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guarantee association protects insureds who live outside that state.

The Guarantee Association also does not provide coverage for:

- * Unallocated annuity contract; that is, contracts which are not issued to and owned by an individual and which guarantee rights to group contract holders, not individuals;
- * Employer and association plans, to the extent they are self funded or uninsured;
- * Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- * Any policy of reinsurance unless an assumption certificate was issued;
- * Interest rate yields that exceed an average rate;
- * Any portion of a contract that provides dividends or experience rating credits.

LIMITS ON AMOUNT OF COVERAGE

The Act limits the Association to pay benefits as follows:

LIFE AND ANNUITY BENEFITS

- * 80% of what the life insurance company would owe under a policy or contract up to
- * \$100,000 in cash surrender values,
- * \$100,000 in present value of annuities, or
- * \$250,000 in life insurance death benefits.
- * A maximum of \$250,000 for any one insured life no matter how many policies and contracts there were with the same company, even if the policies provided different types of coverages.

HEALTH BENEFITS

- * A maximum of \$200,000 of the contractual obligations that the health insurance company would owe were it not insolvent. The maximum may increase or decrease annually based upon changes in the health care cost component of the consumer price index.

PREMIUM SURCHARGE

Member insurers are required to recoup assessments paid to the Association by way of a surcharge on premiums charged for health insurance policies to which the Act applies.

When a Non-Participating Provider is used:

Any deductible satisfied during the Benefit Period will be applied to both the Participating Provider Deductible and the Non-Participating Provider Deductible. Once the Maximum Deductible per Benefit Period has been met, no further deductible will be required.

If an Insured incurs Covered Expenses:

- i. during the last three months of any Benefit Period; and
 - ii. these expenses are applied towards the Deductible Amount for that Benefit Period,
- such Covered Expenses will also apply to the Deductible Amount for the following Benefit Period.

On the date that three members of one family have satisfied their own Deductible Amounts for that Benefit Period, no Covered Expenses incurred after that date by any other family member will be applied toward the satisfaction of any Deductible Amount for the rest of that Benefit Period. No Covered Expense that was incurred prior to such date, which was used to satisfy any part of a Deductible Amount, will be eligible for reimbursement.

- a) The Insured Person has submitted a claim for dental expenses incurred during the preceding Benefit Period; and
- b) The benefits paid for dental expenses incurred in the preceding Benefit Period did not exceed the Benefit Threshold.

In each succeeding Benefit Period in which the total dental expense benefits paid do not exceed the Benefit Threshold, the Insured Person will be eligible for the Carry Over Amount.

The Carry Over Amount can be accumulated from one Benefit Period to the next up to the Maximum Carry Over amount unless:

- a) During any Benefit Period, dental expense benefits are paid in excess of the Threshold. In this instance, there will be no additional Carry Over Amount for that Benefit Period; or

In order to properly calculate the Carry Over Amount, claims should be submitted timely in accordance with the Proof of Loss provision found within the General Provisions. You have the right to request review of prior Carry Over Amount calculations. The request for review must be within 24 months from the date the Carry Over Amount was established.

PREMIUMS

TABLE OF MONTHLY PREMIUM RATES

Dental Care Insurance	\$35.32 per Insured Person
	\$47.24 per Dependent Unit

PAYMENT OF PREMIUMS. The first premium will be due on the Policy Effective Date to cover the period from that date to the first Premium Due Date. Other premiums will be due on or before each Premium Due Date. Premiums are payable at our Home Office or at some other location to which we and the Policyholder agree.

PREMIUM DUE DATE. The Premium Due Date will be the first day of the month that falls on or after the Policy Effective Date. If we agree with the Policyholder to the payment of premiums on a basis other than monthly, the Premium Due Date will be fixed to match the correct basis. If there is a change in the method of payment or Premium Due Date, a pro-rata charge in the premium due will be made.

PREMIUM STATEMENTS. The premium due as of any Premium Due Date is the number of units in force on such date for each type of insurance multiplied by the rate shown in the Table of Premium Rates. A premium statement will be made as of the Premium Due Date showing the premium payable. If premiums are payable on other than a monthly basis, each statement will show any pro-rata premium charges and credits in the last premium period due to changes in the number of Insureds and in the amount of insurance for which people are insured. This is subject to the rules below.

SIMPLIFIED ACCOUNTING. The premium will start on the Premium Due Date falling on or after the date the insurance or the increase in the insurance is effective for: a) a person becoming insured; or b) an increase in the amount of insurance on any person. The premium will stop on the Premium Due Date falling on or after the date of termination of insurance or through the date of service of the last paid claim. There will be no pro-rata charges or credits for a partial month. If premiums are payable other than monthly, charges and credits will be figured as though the Premium Due Date is monthly.

We will be liable for the return of unearned premiums to the Policyholder only for the 12 months before the date we receive evidence that a return is due.

ADJUSTMENTS IN PREMIUM RATES. We may change the rates shown in the Table of Premium Rates by giving the Policyholder at least 30 days advance written notice. We may change the rates at any time the Schedule of Benefits, or any other terms and conditions of the policy, are changed. We will not change the rates until the Renewal Date shown on the policy cover or more than once in any 12 month period thereafter, unless there is a change in the Schedule of Benefits or a change in any other terms and conditions in the policy.

Notwithstanding the above, the Company reserves the right to change any one or more of the rates prior to the Renewal Date or more than once in any 12 month period thereafter upon the occurrence of one or both of the following:

1. We determine that the average number of dependent children for each Insured with Dependent coverage exceeds 4.0; and/or
2. We determine that the number of Insureds is less than 80% of the number of Insureds covered under the Policy as of either (i) the Plan Effective Date, if during the period of time between the Plan Effective Date and the Renewal Date, or (ii) the most recent 12 month anniversary of the Renewal Date.

Should either or both of the above occur and should we elect to change rates as a result, we agree to notify the Policyholder of the corresponding rate changes at least 30 days in advance of the Premium Due Date for which the rate change shall be effective. The right to change rates as well as the timing of such changes in the above two limited situations shall at all times be subject to applicable state laws and regulations.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any full time active employee working at least 36 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent. For dependent children, a newborn child will be considered an eligible dependent upon reaching their 2nd birthday. The child may be added at birth or within 31 days of the 2nd birthday.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any full time active employee working at least 36 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur following the eligibility period of 6 month(s) of continuous active employment.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

ELIMINATION PERIOD. Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.
3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

But any person who is not in active service or is totally disabled will be insured on the Effective Date if:

- a. the person was insured under a policy of group insurance providing like benefits which ended on the day immediately before the Effective Date of the policy providing this coverage; and
- b. the person is considered a Member or an eligible Dependent under the policy providing this coverage, and had the prior policy contained the same definition of eligibility, would have been a Member or Dependent under the prior policy.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or

4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the day before the date on which the dependent no longer meets the definition of a dependent. See "Definitions."

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

Labor Dispute
For Employees Only

If membership is because of employment and the Insured's active service stops because of a labor dispute, the insurance may be continued subject to the following rules:

1. This provision only applies when the Policyholder is required by a collective bargaining agreement to pay all or part of the Insured's premiums.
2. The premium due for each Insured subject to this provision and the Insured's dependents, if applicable, will be that shown in the policy.
3. Payment of the premium by the Insured must be to the Policyholder, union, or other collection entity and forwarded to us on a monthly basis.

The insurance continued during such labor dispute will stop on the earliest of the following dates:

1. the date six months from the date cessation of work due to the labor dispute started.
2. the date that 75% of the Insureds subject to the labor dispute are continuing the coverage.
3. for any individual Insured:
 - i. the date he or she takes full-time employment with another employer.
 - ii. the last day of the period for which the Insured has made a premium payment.

Neither the Policyholder or us may cancel or alter the terms of the policy during the labor dispute, except that we can adjust premiums the same as we could if there were no labor dispute.

Any continuation of an Insured's benefits under this provision is applicable to the Insured's dependents, provided they were insured under the policy when the labor dispute started.

DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

PARTICIPATING AND NON-PARTICIPATING PROVIDERS. The Insured person may select a Participating Provider or a Non-Participating Provider. A Participating Provider agrees to provide services at a discounted fee to our Insureds. A Non-Participating Provider is any other Provider.

DETERMINING BENEFITS. The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

BENEFIT PERIOD. Benefit Period refers to the period shown in the Table of Dental Procedures.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

COVERED EXPENSES. Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be limited to the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as determined by us, if services are provided by a Non Participating Provider.
3. the Maximum Allowable Charge ("MAC") as determined by us.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by your provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by general dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

ALTERNATIVE PROCEDURES. If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you

may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental x-ray films, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

EXPENSES INCURRED. An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a prosthetic crown, appliance, or fixed partial denture. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.
2. for initial placement of any prosthetic crown, appliance, or fixed partial denture unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such prosthetic crown, appliance, or fixed partial denture must include the replacement of the extracted tooth or teeth.
3. for appliances, restorations, or procedures to:
 - a. alter vertical dimension;
 - b. restore or maintain occlusion; or
 - c. splint or replace tooth structure lost as a result of abrasion or attrition.
4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.
5. to replace lost or stolen appliances.
6. for any treatment which is for cosmetic purposes.
7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)
8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits provision found on 9260).
9. for which the Insured person is entitled to benefits under any workmen's compensation or similar law, or charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.
10. for charges which the Insured person is not liable or which would not have been made had no insurance been in force.
11. for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.

12. because of war or any act of war, declared or not.

TABLE OF DENTAL PROCEDURES

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Ø Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.
- Ø Benefit Period means the period from January 1 of any year through December 31 of the same year. But during the first year a person is insured, a benefit period means the period from his or her effective date through December 31 of that year.
- Ø Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review.

COORDINATION OF BENEFITS

This section applies if an Insured person has dental coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expense.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for dental services or supplies:
 - a. Any group or blanket insurance policy.
 - b. Any group Blue Cross, group Blue Shield, or group prepayment arrangement.
 - c. Any labor/management, trusteed plan, labor organization, employer organization, or employee organization plan, whether on an insured or uninsured basis.
 - d. Any coverage under a governmental plan that allows coordination of benefits, or any coverage required or provided by law. This does **not** include a state plan under Medicaid (Title XVIII and XIX of the Social Security Act as enacted or amended). It also does not include any plan whose benefits by law are excess to those of any private insurance program or other non-governmental program.
2. "Plan" does **not** include the following:
 - a. Individual or family benefits provided through insurance contracts, subscriber contracts, coverage through individual HMOs or other prepayment arrangements.
 - b. Coverages for school type accidents only, including athletic injuries.
3. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.
4. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.
5. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.
2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:
 - a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.
 - b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:
 - i. the parents are married;
 - ii. the parents are not separated (whether or not they ever have been married); or
 - iii. a court decree awards joint custody without specifying that one party has the responsibility to provide dental coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

- c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:
 - i. the Plan of the Custodial Parent;
 - ii. the Plan of the spouse of the Custodial Parent;
 - iii. the Plan of the non-Custodial Parent; and then
 - iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's dental expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

- d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and
2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

RIGHT OF RECOVERY. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from any persons or organizations to or for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

GENERAL PROVISIONS

NOTICE OF CLAIM. Written notice of a claim must be given to us within 30 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 30 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

CLAIM FORMS. When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

PROOF OF LOSS. Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90-day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible.

TIME OF PAYMENT. We will pay all benefits immediately when we receive due proof. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

PAYMENT OF BENEFITS. All benefits will be paid to the Insured unless you authorize us in writing to make payment to the Provider providing the services or supplies.

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

LEGAL PROCEEDINGS. No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than five years after proof of loss is required.

INCONTESTABILITY. Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

WORKER'S COMPENSATION. The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

GENERAL PROVISIONS (CONTINUED)

CONFORMITY WITH LAW. Any policy provision that conflicts with the laws of the state in which the policy is issued, when the policy is issued, is automatically changed to meet the minimum requirements of those laws.

ENTIRE CONTRACT. The policy and the application of the Policyholder constitute the entire contract between the parties. A copy of the Policyholder's application is attached to the policy when issued. All statements made by the Policyholder or an Insured will, in the absence of fraud, be considered representations and not warranties. No statement made to obtain insurance will be used to avoid the insurance or reduce the benefits of this policy unless it is in a written application signed by the Policyholder or Insured. A copy of this must have been given to the Policyholder or Insured.

No change in this policy will be valid unless approved in writing by one of our officers and given to the Policyholder for attachment to the policy. No agent has the authority to change this policy or waive any of its provisions. Any change in this policy will be valid even though an Insured may not have agreed to it.

INSURANCE DATA. The Policyholder will furnish, at our request, data necessary to administer this policy. The data will include, but not be limited to data:

- i. necessary to calculate premiums;
- ii. necessary to determine a person's effective date or termination date of insurance;
- iii. necessary to determine the proper coverage level of insurance.

We shall have the right to inspect any of the Policyholder's records we find necessary to properly administer this policy. Any inspections will be at a time and place convenient to the Policyholder.

We will not refuse to insure a person who is eligible to be insured just because the Policyholder fails or errs in giving us the data necessary to include that person for coverage. An Insured's insurance will not stay in force nor an amount of insurance be continued after the termination date, according to the Conditions for Insurance, because the Policyholder fails or errors in giving us the necessary data concerning an Insured's termination.

CERTIFICATES. We will issue certificates to the Policyholder showing the coverage under the policy. The Policyholder will distribute a certificate to each insured Member. If the terms of the certificate differ from the policy, the terms stated in the policy will govern.

PARTICIPATION REQUIREMENTS. There are two requirements that must be met in order for the policy to be placed in force, and to remain in force:

- a. a certain percentage of all Members qualified for insurance must be insured at all times; and
- b. a certain number of Insureds must be insured at all times.

The Participation Requirements are as follows:

Percentage of Members-	60%
Number of Members-	199

TERMINATION OF THE POLICY. The Policyholder may terminate this policy as of any Premium Due Date by giving us written notice before that date.

We may terminate this policy on the earlier of:

1. any Premium Due Date if the participation of Insureds and/or Dependents does not meet the requirements in "Conditions For Insurance." Written notice of termination of insurance must be given to the Policyholder at least 45 days before the date of termination.
2. any Premium Due Date on or after the first policy year, for reasons other than lack of participation. Written notice of termination of insurance must be given to the Policyholder at least 60 days before the date of termination.

If any premium is not paid when due, this policy will automatically be terminated as of the Premium Due Date, except as stated below.

GRACE PERIOD. This policy has a 31 day grace period. This means that if a renewal premium is not paid on or before the date it is due, it may be paid during the following 31 days. During the grace period, the policy will stay in force. If the Policyholder has not sent us a written request to terminate the policy and a premium is not paid by the end of the grace period, the policy will terminate at the end of the grace period. If the Policyholder gives us written notice of termination before the Premium Due Date, the policy will be terminated as of the date requested. The Policyholder will be liable for any unpaid premium for the time this policy was in force, including the grace period.

CONSIDERATION. This policy is issued to the Policyholder in consideration of the application and the payment of premiums specified in this policy.

TERMS AND CONDITIONS. Payment of any benefit under this policy is subject to the definitions and all other terms of this policy pertinent to the benefit.

REVIEW PROCEDURE

If all or part of a claim is denied, you may request a review. You must request a review in writing within 180 days after receiving notice of the denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your request for review. The review will be conducted by the Plan's named fiduciary and will be someone other than the person who denied the initial claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request. Within at least 60 days after we receive your request for review we will send you a written decision on review.

Certain state laws also require specified internal appeal procedures and/or external review processes. In addition to the review procedures defined above, you may also have additional rights provided to you under state law. Please contact your state insurance regulatory agency for assistance.
